PATENT AND INVENTION RIGHTS ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, **John Edward Fitch** (the "Assignor") of Woodway, Texas, does hereby:

SELL, ASSIGN AND TRANSFER to **BCP Controls, LLC** (the "Assignee"), being organized under the laws of the State of Texas, having a place of business in Waco, Texas the entire right, title and interest for the United States and all foreign countries in and to:

United States Patent Application Serial No. 14/011,565, titled "Method and System for Utilizing a Device's User Location to Monitor and Control the Device Power Usage" and filed on or about August 27, 2013 (the "Transferred Rights"), such sale, assignment and transfer of the Transferred Rights further including (1) any and all improvements which are disclosed in the such Transferred Rights; (2) all divisional, continuing, continuation-in-part, substitute, renewal, reexamination, reissue and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of such improvements or which claim priority to any way to any of the Transferred Rights; (3) any and all original and reissued patents which have been or shall be issued in the United States and all foreign countries on such improvements or the Transferred Rights, specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such Transferred Rights; and (4) the right to recover past damages for infringement of any of the Transferred Rights;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such Transferred Rights and improvements to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the Assignor, and that the full right to convey the same as herein expressed is possessed by the Assignor;

COVENANT, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the Assignor will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such Transferred Rights and improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the Assignor relating to such Transferred Rights and improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for vesting title to such Transferred Rights and improvements in the Assignee, and for securing, maintaining and enforcing proper patent protection for such Transferred Rights and improvements;

TO BE BINDING on the heirs, assigns, representatives and successors of the Assignor and extend to the successors, assigns and nominees of the Assignee.
