WHEREAS, we, Wallace Cook, a citizen of the United States of America, and Federico Robles, a citizen of the United States of America (hereinafter referred to as "ASSIGNORS"), have invented and own a certain invention entitled DE-AERATION SYSTEM AND METHOD for which a United States regular formal application has been filed on May 5, 2016, Application Serial No. 15/147,281, Attorney Docket No. 100018100001 (collectively the "Application"), and have assigned the rights recited herein, as of the date of the invention; and

WHEREAS, Cook and Cook Incorporated, d/b/a Royal Welding & Fabricating, a corporation organized and existing under and by virtue of the laws of the State of California and having its principal place of business at 1000 E. NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNORS hereby sell, assign, transfer and set over unto ASSIGNEE, its successors and assigns, the full and exclusive right, title and interest in the invention, in the Application and the right to claim priority thereto, and in all Letters Patent or similar legal protection, in the United States, its territorial possessions and in any and all countries foreign thereto, to be obtained for the invention by the Application, and to any non-provisional, regular formal, continuation, continuation-in-part, divisional, renewal, substitute, reexamination, or other post-grant certificate or reissue thereof, or any legal equivalent thereof in the United States, its territorial possessions or a foreign country for the full term or terms for which the same may be granted, including the right to file and prosecute any and all such applications or legal equivalents, including the right to sue and recover for any and all such applications or legal equivalents, and the right to enforce all claims and recover damages for any and all infringements, and including all priority rights under the International Convention; and ASSIGNORS hereby authorize and request the United States Commissioner of Patents and Trademarks and any officials of

ASSIGNORS hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into, nor any act performed, which would conflict with this Agreement.
