ASSIGNMENT

WHEREAS PCH Labs, Inc. (hereinafter the "Assignor"), which has a place of business located at 135 Mississippi St, San Francisco, CA 94107, acquired rights to the apparatus, inventions, discoveries and/or improvements disclosed in an application for United States Letters Patent entitled "SEATING DEVICE HAVING A TILT MECHANISM", filed May 15, 2015 and having Serial No. 62/162,163;

AND WHEREAS, Knoll, Inc., a Delaware corporation having a place of business at 1235 Water Street, East Greenville, Pennsylvania 18041 (hereinafter the "Assignee"), is desirous of acquiring the entire right, title and interest in and to said application and the apparatus, inventions, discoveries and improvements therein disclosed;

NOW THEREFORE, pursuant to the Consulting Services Agreement dated August 29, 2014 entered into between PCH Labs, Inc. and the Assignee, and other good and valuable consideration receipt of which is hereby acknowledged, Assignor hereby assigns, sells, transfers, and sets over unto said Assignee the entire right, title, and interest in and to said application and the apparatus, inventions, discoveries and improvements therein disclosed for the United States and all foreign countries and any Letters Patent which may issue therefore in the United States and all foreign countries and all utilities, divisions, reissues, continuations, renewals and/or extensions thereof, including all priority rights under the International Convention associated therewith for each country and the United States, said Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all utilities, divisions, reissues, continuations, renewals and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by me had this Assignment not been made.

The Commissioner of Patents and Trademark is requested to issue such Letters Patent in accordance herewith. Assignor covenants that it is the lawful owner of the said application, apparatus, inventions, discoveries and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend the said apparatus, inventions, discoveries or improvements or any of them, and that it have the full right to make this Assignment.

And for said consideration, Assignor agrees that it will communicate to said Assignee or the representatives thereof any facts known to it respecting said apparatus, inventions, discoveries and improvements, and will, upon request, but without expense to Assignor, have personnel provide testimony in any legal proceedings, sign all lawful papers, execute all utility, divisional, reissue, continuation, renewal and/or extension applications, have all rightful oaths executed, and generally do all other and further lawful acts, deemed necessary or expedient by said Assignee or by counsel for said Assignee, to assist or enable said Assignee to obtain and enforce full benefits from the rights and interests herein assigned, and, in the event of any application or Letters Patent assigned herein becoming involved in a derivation proceeding or post grant proceeding, to cooperate to the best of its ability in the matters of preparing and executing documents relating to such a proceeding and giving and producing evidence in support thereof. This Assignment shall be binding upon Assignor's successors, affiliates, corporate

parents and/or assigns, and shall inure to the benefit of the successors, affiliates, corporate parents and/or assigns, as the case may be, of said Assignee.

And for said consideration, the undersigned hereby agrees to execute, at the request of said Assignee, all documents in connection with any application for foreign letters patent therefore.
