ASSIGNMENT

WHEREAS I Peter Kobler (hereinafter referred to as "ASSIGNOR") of Gaertnerweg 3, Bad Woerishofen 86825 Germany; have invented certain new and useful improvement(s) in:

Continuously Variable Transmission

these invention(s) being further identified by Attorney Docket Number UMS01-012-WOPTUS; for which I have filed or are concurrently filing herewith, an application for Letters Patent of the United States;

AND WHEREAS, U.M.S. - Maschinenbau GmbH (hereinafter referred to as "Assignee"), which has a place of business at Gaertnerweg 3, Bad Woerishofen 86825 Germany, is desirous of acquiring an interest in the United States and all foreign countries, in and to said invention and Letters Patent be obtained therefor;

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN, for good and valuable consideration, the receipt of which is hereby acknowledged, I, have sold, assigned, and transferred, and hereby sell, assign, and transfer unto "Assignee", the entire past, present, and future, right, title, and interest, in and to said invention(s) in the United States and in all foreign countries, including, but not limited to, all priority rights, past, present and future claim(s) and rights of recovery, and all design, utility, revival, refiling, continuation, divisional, reexamination, and reissue application(s) therefor (hereinafter "Application(s)"); and I do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent(s) that may be issued upon any of said Application(s) to "Assignee" for the sole use and behoof of "Assignee", its successors and assigns.

I further agree to assign, and transfer unto "Assignee", the entire past, present, and future, right, title, and interest, in and to all continuation-in-part application(s) that claim priority to the Application(s), in the United States and in all foreign countries, including, but not limited to, all priority rights, past, present and future claim(s) and rights of recovery; furthermore, if I cannot be readily located or refuse to assign the continuation-in-part application(s) to "Assignee", I hereby appoint "Assignee" and Cantor Colburn LLP as my Attorney in Fact, with the power to execute such assignment on my/our behalf.

I hereby warrant and covenant that I/we have the full and unencumbered right to sell, transfer, and assign, the interests hereby sold, transferred, and assigned, and that I/we have not executed and will not execute any document or instrument in conflict herewith.

I further covenant and agree that I, upon the request and at the expense of the "Assignee", its successors or assigns, will fully assist and cooperate in all matters in connection with the United States and foreign application(s) and patent(s) issuing thereon, including execute and deliver any papers, make all rightful oaths, testify in any legal proceeding relating to said invention(s), communicate to the "Assignee" all facts known me relating to such invention(s) and the history thereof; and perform all other lawful acts deemed necessary or desirable by "Assignee", or its legal representatives, to secure, maintain, and enforce patent protection for

such invention(s) and for vesting title to such invention(s) in "Continuously Variable Transmission", and in particular, to perfect title to said invention(s), said application(s), and said patent(s).

In the event that any provision, or portion thereof, of this Assignment shall be held invalid or unenforceable for any reason, such invalidity or unenforceability shall not affect any other provision, or remaining portion, of this Assignment, and the parties shall negotiate in good faith to modify the Agreement to preserve (to the extent possible) their original intent.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

I hereby grant "Assignee" and the firm of Cantor Colburn LLP the power to insert in this Assignment any further identification that may be necessary or desirable for recordation of this Assignment.

Date: 29.06.2016
