ASSIGNMENT OF APPLICATION

Docket Number
RFAXS-051A

Whereas, I, Oleksandr Gorbachov, hereafter referred to as "Assignor", have invented certain new and useful improvements in HIGH GAIN RF POWER AMPLIFIER WITH NEGATIVE CAPACITOR for which an application for a United States Patent was filed on or about the date of this assignment.

Whereas, RFAXIS, INC. of Irvine, California herein referred to as "Assignee" whose mailing address is 7595 Irvine Center Drive, Suite 200, Irvine, California 92618 is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of the sum of One dollars (\$1.00), the receipt whereof is acknowledged, and other good and valuable consideration, Assignor, by these presents does sell, assign and transfer unto said Assignee the full and exclusive right to the said improvement in the United States, and by these presents does hereby sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, Assignor's entire right, title and interest in, to and under said improvements, and said application and all divisions, renewals, continuations, and continuations-in-part thereof, and all United States Letters patent which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, including the full right to claim for any such application the priority benefits of the International Convention for the Protection of Industrial Property and other priority-conferring treaties, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, divisions, continuations, continuations-in-part, renewals and reissues thereof; and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to said Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument; Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said United States Patent to said Assignee, of the entire right, title, and interest in and to the same, for its sole use and behoof; and for the use and behoof of its legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made.

Executed this 12 day of March, 2016, at Irvine, CA.

By: 
Oleksandr Gorbachov
