PATENT ASSIGNMENT

WHEREAS, WE, Kedarnath Benegal and Ismail Thanickel, have invented certain new and useful improvements in inventions presently titled:

“Determining whether a mobile device user is substantially stationary within a geo-fence,” as described in U.S. Serial No. 62/175,233

“Automatically recording a visit to a geo-fence, with associated data curation for on-demand retrieval,” as described in U.S. Serial No. 62/175,889; and

“Determining whether to mark a geo-location,” as described in U.S. Serial No. 62/180,116.

WHEREAS, KeepTrax, Inc., corporation organized and existing under the laws of Texas having its principal place of business at 222 West Las Colinas Boulevard, Suite 1410N, Irving, Texas 75039 (hereinafter referred to as “Assignee”), is desirous of acquiring the entire interest in, to and under each invention and the United States Letters Patent to be obtained for each invention:

NOW, THEREFORE:

Be it known that in consideration of the payment by Assignee to me of good and valuable consideration, the receipt of which is hereby acknowledged, I, the above named, hereby sell, assign and transfer to Assignee my full and exclusive right, title and interest to said invention and all Letters Patent of the United States to be obtained therefore on said patent or any patent applications (including those identified above and utility applications derived therefrom), continuations, divisions, renewals, reexaminations, substitutes or reissues thereof for the full term or terms for which the same may be granted.

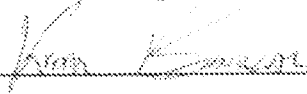

I further assign to Assignee all of my right, title and interest in and to said invention in all foreign countries, and all applications for Letters Patent that may evolve therefrom, including the right to claim International Convention priority.

I further covenant that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent as may be known and accessible to me and I will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to Assignee or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain and enforce said applications, said invention and said Letters Patent that may be necessary or desirable to carry out the purposes hereof.

This Assignment is effective as of May 13, 2015.
