ASSIGNMENT

WHEREAS, I, JAMES G. GASPARD, II of 3146 New Castle Drive, Loveland, CO 80538, have invented certain new and useful improvements entitled, "Method to Schedule a Vehicle in Real-Time to Transport Freight and Passengers" for which I filed an application for a United States Patent on December 20, 2001, assigned serial number 10/029,503, and Patent No. 6,411,897 issued on June 25, 2002; and I own all right, title and interest to said patent rights; and

WHEREAS, KESTREL TRANSPORTATION, LLC, (hereinafter referred to as "ASSIGNEE"), a limited liability company established under the laws of the State of Texas, having a business address of 1700 Pacific Avenue, Suite 4800, Dallas, Texas 75201, is desirous of acquiring my entire right, title and interest in and to the invention, and in and to the said application and any Letters Patent that may issue thereon;

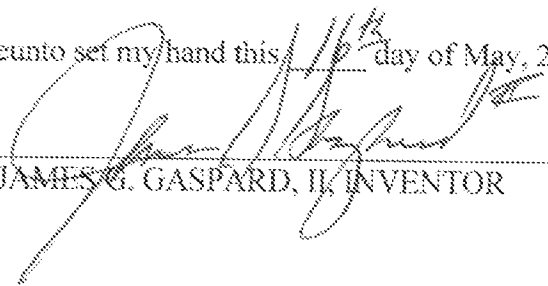

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives the full and exclusive right, title and interest in and to said invention and in and to said application and all patents which may be granted therefore, and all divisions, reissues, substitutions, continuations, continuations-in-part and extensions thereof; and I hereby authorize and request the Commissioner of Patents to issue all patents for said invention, or patents resulting therefrom, insofar as my interest is concerned, to the said ASSIGNEE.

I do also hereby sell and assign to said ASSIGNEE, its successors, assigns and legal representatives the full and exclusive right, title and interest to the invention disclosed in said application throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries; and I further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in ASSIGNEE, its successors, assigns and legal representatives.

I also covenant that no assignment, sales agreement, or encumbrance has been or will be made or entered into which would conflict with this assignment and sale.

I hereby further agree that I will communicate to said ASSIGNEE, or to its successors, assigns and legal representatives, any facts known to me respecting any improvements; and, at the expense of said ASSIGNEE, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make all lawful oaths, and generally do everything possible to vest title in said ASSIGNEE and to aid said ASSIGNEE, its successors, assigns and legal representatives to obtain and enforce proper protection for said invention in all countries.

IN WITNESS WHEREOF, I have hereunto set my hand this 16th day of May, 2016.

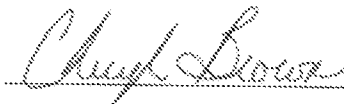

JAMES G. GASPARD, II, INVENTOR

State of Colorado §

County of Larimer §

On this 16th day of May, 2016, before me, a Notary Public in and for the State of Colorado, personally appeared James G. Gaspard, II, to me well known and known by me to be the person of the above name who signed the foregoing instrument and acknowledged the same to be his own free act and deed.

Notary Public, State of Colorado
