ASSIGNMENT

WHEREAS, I, Masamichi Udagawa, having an address of 33 Rector Street, Unit 3, New York, New York, 10006, United States, have invented certain new and useful apparatus, inventions, discoveries and/or improvements disclosed in an applications for United States Letters Patents for the applications listed below:

- United States Serial No. 62/169,111, filed June 01, 2015 entitled "PRIVACY SCREEN APPARATUS";
- United States Patent Application Serial No. 62/169,184, filed June 1, 2015 entitled "PRIVACY SCREEN APPARATUS";
- United States Patent Application Serial No. 62/169,054, filed June 1, 2015 entitled "MODULAR FURNITURE UNIT HAVING POWER DISTRIBUTION";

AND WHEREAS, Knoll, Inc., a Delaware corporation having a place of business at 1235 Water Street, East Greenville, Pennsylvania 18041 (hereinafter the "Assignee"), is desirous of acquiring the entire right, title and interest in and to said application and the apparatus, inventions, discoveries and improvements therein disclosed;

NOW THEREFORE in furtherance of my Design Development Agreement with Assignee and the consideration stated therein, and other good and valuable consideration, I do hereby assign, sell, transfer, and set over unto said Assignee the entire right, title, and interest in and to said application and the apparatus, inventions, discoveries and improvements therein disclosed for the United States and all foreign countries and any Letters Patent which may issue therefore in the United States and all foreign countries and all utilities, divisions, reissues, continuations, continuations-in-part, renewals and/or extensions thereof, including all priority rights under the International Convention associated therewith for each country and the United States, said Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all utilities, divisions, reissues, continuations, continuations-in-part, renewals and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by me had this Assignment not been made.

The Commissioner of Patents and Trademark is requested to issue such Letters Patent in accordance herewith. I covenant that I am the lawful owner of the said application, apparatus, inventions, discoveries and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend the said apparatus, inventions, discoveries or improvements or any of them, and that I have the full right to make this Assignment.

And for said consideration, I agree that I will communicate to said Assignee or the representatives thereof any facts known to me respecting said apparatus, inventions, discoveries and improvements, and will, upon request, but without expense to me, testify in any legal proceedings, sign all lawful papers, execute all utility, divisional, reissue, continuation,

continuation-in-part, renewal and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said Assignee or by counsel for said Assignee, to assist or enable said Assignee to obtain and enforce full benefits from the rights and interests herein assigned, and, in the event of any application or Letters Patent assigned herein becoming involved in Interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. This Assignment shall be binding upon my heirs, executors, administrators and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors and/or assigns, as the case may be, of said Assignee.

And for said consideration, the undersigned hereby agrees to execute, at the request of said Assignee, all documents in connection with any application for foreign letters patent therefore.
