ASSIGNMENT

WHEREAS, we, **Charles Richard Vasquez**, a citizen of the United States of America, residing at 103 Shadowood Lane, Peachtree City, Georgia 30269, United States of America; **Jonathan Allin Low**, a citizen of the United States of America, residing at 1275 Hogansville Road, #319, Lagrange, Georgia 30241, United States of America; and **Jyoti Gururaj Kathawate**, a citizen of India, residing at 2051 Westwood Circle, Smyrna, Georgia 30080, United States of America, have invented certain inventions and improvements disclosed in an application for Letters Patent titled "**Light-Emitting Diode Based Recessed Light Fixtures**" filed in the United States Patent and Trademark Office on April 20, 2016 and assigned U.S. Patent Application No. 15/134,258; and

WHEREAS, **Cooper Technologies Company**, a corporation of the State of Delaware having a principal place of business at 600 Travis Street, Suite 5600, Houston, Texas 77002, is desirous of acquiring an interest in the same.

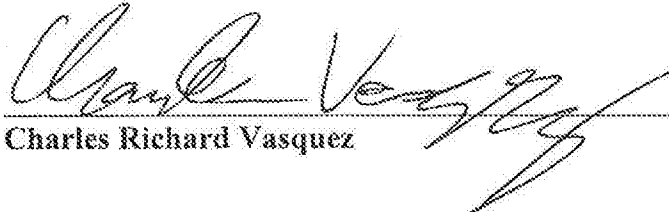

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we, **Charles Richard Vasquez, Jonathan Allin Low, and Jyoti Gururaj Kathawate** by these presents do sell, assign, and transfer to **Cooper Technologies Company**, the full, exclusive, and entire right, title, and interest in and to said application, in and to any divisions, continuations, reexaminations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Director of the U.S. Patent and Trademark Office to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, reexamination, or reissue thereof, to **Cooper Technologies Company** as the assignee, for its interest and for the sole use and benefit of **Cooper Technologies Company** and its assigns and legal representatives;

For the same consideration, we, by these presents, do sell, assign, and transfer to **Cooper Technologies Company** the full, exclusive, and entire right, title, and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights

arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **Cooper Technologies Company** or its designee insofar as permitted by applicable law;

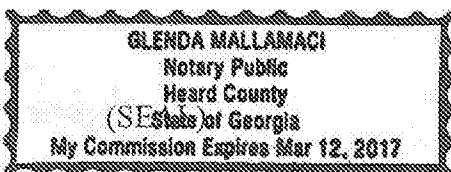

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reexamination, reissue, and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Cooper Technologies Company**, its successors, assigns, and nominees to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.

We hereby authorize King & Spalding LLP, 1180 Peachtree Street NE, Atlanta, Georgia USA, to insert in the blanks above the filing date and application number of said application when known.
