ASSIGNMENT

WHEREAS, Tanner J. Roovers (a Wisconsin resident) and Stephen G. Roovers (a Wisconsin resident), (the "ASSIGNORS"), are the inventors and owners of all rights in the inventions for which the following patent application has been filed:

<u>Type</u>	<u>Serial Number</u>	<u>Filing Date</u>	<u>Title</u>
US	13/967,316	08/14/2013	Trike Lift and the Methods of Making and Using the Same

WHEREAS, J & S Jacks, LLC (the "ASSIGNEE"), an entity organized under the laws of the State of Wisconsin, is desirous of acquiring said inventions and patent application, and all patent applications related to the above-listed patent application, and all issued patents that may result from said inventions and patent application;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which to ASSIGNORS from ASSIGNEE are hereby acknowledged, said ASSIGNORS, by these presents, do hereby sell, assign, and transfer unto ASSIGNEE, its successors and assigns, the entire right, title, and interest for the territory of the United States of America, its territories and possessions, and in all foreign countries, including all rights to claim priority, in and to said patent application and the inventions as described in said patent application; said interest in said inventions and patent application to be held and enjoyed by said ASSIGNEE for its own use and behoof, and by its successors and assigns, to the full end of the term of said patent application and all patents resulting therefrom, as fully and entirely as the same would have been held by ASSIGNORS had this Assignment and sale not been made.

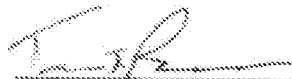

ASSIGNORS hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

ASSIGNORS further covenant that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said inventions and said patent applications and legal equivalents as may be known and accessible to

ASSIGNORS and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to ASSIGNEE or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said inventions and said patents and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

This grant specifically includes, without limitation, the right to recover for any third party infringement thereof, regardless of whether such infringement occurred before or occurs after the effective date of this Assignment.
