ASSIGNMENT

For valuable consideration, the receipt of which I acknowledge, and intending to be bound legally, We, ROBERT YOUNG and BRIAN GAFFNEY, assign to NEUL LTD., a corporation formed under the laws of and having a principal place of business at Compass House, Vision Park, Chivers Way, Histon, Cambridge, CB249AD, UNITED KINGDOM, and its successors, transferees, and assignees (collectively the "Assignee"), all of my right, title, and interest throughout the world in the subject matter (the "Subject Matter") of a patent application that names me as inventor, is titled "METHOD AND APPARATUS FOR ESTIMATING FREQUENCY ERRORS", and was filed in the United States Patent and Trademark Office on November 11, 2014, as application 14/400,404 (the "Application").

This Assignment assigns (a) the Application and all other applications that may be made for, and all patents, utility models, design registrations, and other rights of exclusion and inventors' certificates for, any of the Subject Matter (collectively the "Applications and Granted Rights") in every country or region, (b) the right to claim priority based on and the benefit of the filing date of any of the Applications and Granted Rights under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other applicable treaties or conventions, and (c) the right to pursue, collect, and retain in the Assignee's name or otherwise, damages and any other remedies arising from any past, present, or future infringement of the Subject Matter, the Applications and Granted Rights, and any other rights assigned by this Assignment.

We authorize the Assignee to apply for and pursue protection for any or all of the Subject Matter, the Applications and Granted Rights, and any other rights assigned by this Assignment in all countries, regions, and territories of the world, in my name or in the Assignee's name.

We represent and warrant that I have the right and power to make this Assignment and that I have not made and will not make any other assignment that conflicts with this Assignment.

We undertake, at the expense of NEUL LTD., at any time, to execute all documents, make all applications, give all assistance and do all acts and things as may, in the opinion of NEUL LTD, be necessary or desirable to vest the Intellectual Property Rights in, and to register them in, the name of NEUL LTD. and to defend NEUL LTD. against claims that the works

embodying Intellectual Property Rights or Inventions infringe third party rights, and otherwise to protect and maintain the Intellectual Property Rights in the Works and the Inventions.
