ASSIGNMENT

WHEREAS, GEORGE CERNICA hereinafter called the "Assignor(s)," has/have invented a new and useful invention entitled APPARATUS AND METHOD TO VISUALLY VIEW HIGH-DOSE-RADIATION APPARATUS USED TO VERIFY QUALITY ASSURANCE, for a full description of which reference is made to a non-provisional application for Letters Patent of the United States Serial Number 13/333,404 filed on December 21, 2011, and

WHEREAS, BEST CURE FOUNDATION, INC., a Virginia Corporation, of Springfield, Virginia, hereinafter called the "Assignee", having a business mailing address of: 7643 Fullerton Road, Springfield, VA 22153, is desirous of acquiring the entire right, title and interest in and to said invention, the application above identified, and in, to and under any Letters Patent which may be obtained for said invention, as hereinafter more fully set forth;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN: Be it known that for and in the consideration of the sum of One Dollar (\$1.00) and other valuable and legally sufficient consideration, the receipt of which by said Assignor(s) from said Assignee is hereby acknowledged, the said Assignor(s) has/have sold, assigned and transferred, and by these presents does/do sell, assign and transfer unto the said Assignee, the entire right, title and interest in the United States to the invention and application hereinabove identified, and in and to any division, continuation, or continuation-in-part of said application, and in and to any Letters Patent of the United States and reissues and extensions thereof that may issue for said invention, together with the entire right, title and interest in and to said invention and applications for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; to have and to hold for the sole and exclusive use and benefit of the said Assignee, its successors and assigns, to the full end of the term or terms for which any and all of said Letters Patent for said invention may issue.

AND the said Assignor(s) does/do hereby covenant and agree, for himself/herself/themselves and his/her/their legal representatives, that he/she/they will assist said Assignee in the prosecution of the application hereinabove identified; and in making and prosecuting any other applications for Letters Patent that the said Assignee may elect to make covering the invention herein identified, as hereinbefore set forth; and in vesting in the said Assignee like exclusive title in and to all such other applications and Letters Patent, together with all claims for damages and profits by reason of past infringement of all or any of the patents issuing from the Patent Application, with the right to sue for and collect same for Assignee's own use (and for the use of Assignee's successors and assigns); and in the prosecution of any interference which may arise involving said invention, or any application for Letters Patent herein contemplated; and that he/she/they will execute and deliver to the said Assignee any and all additional papers which may be requested by the said Assignee to fully carry out the terms of this agreement.

AND the Commissioner of Patents and Trademarks is hereby authorized and requested to issue Letters Patent to the said Assignee in accordance with the terms of this agreement.

IN TESTIMONY WHEREOF, said Assignor, GEORGE CERNICA, has hereunto set his hand and affixed his seal this 23 day of MARCH, 2015.
