(c) property owned by Grantor that is subject to a purchase money Lien or capital lease constituting a Permitted Lien only if the agreement pursuant to which such Lien is granted (or the document providing for such capital lease) prohibits, or requires the consent of any person other than Grantor which has not been obtained as a condition to, the creation of any other Lien on such property; provided further that this exclusion shall not include any Proceeds of such property; and

(d) any Deposit Account maintained by the Grantor exclusively used for all or any of payroll, benefits, health care, withholding tax, escrow, customs or other fiduciary purposes.

(a) Notwithstanding anything contained in this Security Agreement to the contrary, Grantor expressly agrees that it shall remain liable under each of its Contracts, Chattel Paper, Documents, Instruments and Licenses to observe and perform all the conditions and obligations to be observed and performed by it thereunder and that it shall perform all of its duties and obligations thereunder, all in accordance with and pursuant to the terms and provisions of each such Contract, Chattel Paper, Document, Instrument, and License. Secured Party shall not have any obligation or liability under such Contract, Chattel Paper, Document, Instrument or License by reason of or arising out of this Security Agreement or the granting to the Secured Party of a Lien therein or the receipt by any Secured Party of any payment relating to any such Contract, Chattel Paper, Document, Instrument or License pursuant hereto, nor shall any Secured Party be required or obligated in any manner to perform or fulfill any of the obligations of Grantor under or pursuant to any such Contract, Chattel Paper, Document, Instrument or License, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any such Contract, Chattel Paper, Document, Instrument or License, or to present or file any claim, or to take any action to collect or enforce any performance or the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

(b) The Secured Party authorizes Grantor to collect its Accounts. Upon the occurrence and during the continuance of any Event of Default, at the request of the Lender, Grantor shall deliver to Secured Party all original and other documents evidencing and relating to the performance of labor or service that created such Accounts, including, without limitation, all original orders, invoices and shipping receipts.

(c) The Secured Party may at any time, upon the occurrence and during the continuance of any Event of Default and upon notice to Grantor, notify Account Debtors of Grantor, parties to the Contracts of Grantor, and obligors in respect of Instruments of Grantor and obligors in respect of Chattel Paper of Grantor that the Accounts and the right, title and interest of Grantor in and under such Contracts, Instruments and Chattel Paper have been assigned to the Secured Party and that payments shall be made directly to the Secured Party. Upon the occurrence and during the continuance of

any Event of Default, upon the request of the Lender, Grantor shall so notify such Account Debtors, parties to such Contracts, obligors in respect of such Instruments and obligors in respect of such Chattel Paper. Upon the occurrence and during the continuance of any Event of Default, the Secured Party may communicate with such Account Debtors, parties to such Contracts, obligors in respect of such Instruments and obligors in respect of such Chattel Paper to verify with such parties, to the Secured Party's satisfaction, the existence, amount and terms of any such Accounts, Contracts, Instruments or Chattel Paper.

4. REPRESENTATIONS AND WARRANTIES. Grantor hereby represents and warrants to the Secured Party that:

(a) Except for the security interest granted to the Secured Party under this Security Agreement and Permitted Liens, Grantor is the sole legal and equitable owner of each item of the Collateral in which it purports to grant a security interest hereunder.

(b) No effective security agreement, financing statement, equivalent security or lien instrument or continuation statement covering all or any part of the Collateral exists, except such as may have been filed by Grantor in favor of the Secured Party pursuant to this Security Agreement and except for Permitted Liens.

(c) The security interests granted pursuant to this Security Agreement constitute a legal and valid security interest in favor of the Secured Party securing the payment and performance of the Secured Obligations on and in all of the Collateral in which Grantor now has rights.

(d) Grantor's taxpayer identification number is set forth in the signature page hereof. Grantor's chief executive office or principal place of business and the address of the location where Grantor maintains its records concerning the Collateral as of the date hereof, are set forth on the signature page hereof. The Collateral consisting of Goods, other than Inventory and Equipment in transit and Inventory and Equipment with an aggregate value of less than \$50,000, is presently located at such address and at such additional addresses set forth on **Schedule B** attached hereto.

(e) All Collateral of Grantor consisting of Chattel Paper, Instruments or Investment Property is set forth on **Schedule C** attached hereto.

(f) The name and address of each depository institution at which Grantor maintains any Deposit Account constituting Collateral and the account number and account name of each such Deposit Account is listed on **Schedule D** attached hereto. The name and address of each securities intermediary or commodity intermediary at which Grantor maintains any Securities Account or Commodity Account and the account number and account name is listed on **Schedule D** attached hereto. Grantor agrees to amend **Schedule D** upon the Lender's request to reflect the opening of any additional Deposit Account constituting Collateral, Securities Account or Commodity Account, or closing or changing the account name or number on any existing Deposit Account, Securities Account, or Commodity Account.

5. COVENANTS. Unless the Lender otherwise consents (which consent shall not be unreasonably withheld), Grantor covenants and agrees with the Secured Party that from and after the date of this Security Agreement and until the Secured Obligations have been performed and paid in full:

5.1 Disposition of Collateral. Grantor shall not sell, exchange, assign, pledge, hypothecate, license, lease, transfer or otherwise dispose of any of the Collateral (each, a "**Transfer**"), or enter into any legally binding or otherwise enforceable agreement or understanding to do so, other than

(a) the sale of Inventory in the ordinary course of business, (b) the granting of Licenses in the ordinary course of business, (c) the disposal of worn-out, surplus or obsolete Equipment, (d) the sale or discount, in each case without recourse and in the ordinary course of business, of overdue accounts receivable arising in the ordinary course of business, but only in connection with the compromise or collection thereof consistent with customary industry practice (and not as part of any bulk sale or financing of receivables), (e) dispositions and/or terminations of leases, subleases, licenses and sublicenses in the ordinary course of business and which do not materially interfere with the business of Grantor, and (f) Transfers of Collateral to the extent that (i) such property is exchanged for credit against the purchase price of similar replacement property or (ii) the proceeds of such Transfer are promptly applied to the purchase price of such replacement property.

5.2 Change of Jurisdiction of Organization, Relocation of Business. Grantor shall not change its jurisdiction of organization or relocate its chief executive office, principal place of business or its records from such address(es) provided to the Secured Party pursuant to **Section 4(d)** above without at least seven (7) days prior notice to the Secured Party.

5.3 Limitation on Liens on Collateral. Grantor shall not, directly or indirectly, create, permit or suffer to exist, and shall defend the Collateral against and take such other action as is necessary to remove, any Lien on the Collateral, except (a) Permitted Liens and (b) the Lien granted to the Secured Party under this Security Agreement.

5.4 Insurance. Grantor shall maintain insurance policies insuring the Collateral against loss or damage from such risks and in such amounts and forms and with such companies as are customarily maintained by businesses similar to Grantor.

5.5 Taxes, Assessments, Etc. Grantor shall pay promptly when due all property and other taxes, assessments and government charges or levies imposed upon, and all claims (including claims for labor, materials and supplies) against, the Goods, except to the extent the validity or amount thereof is being contested in good faith and adequate reserves are being maintained in connection therewith.

5.6 Commercial Tort Claims. If Grantor shall at any time acquire a Commercial Tort Claim with an expected value to Grantor in excess of \$50,000, Grantor shall immediately notify Secured Party in a writing signed by Grantor of the brief details thereof and grant to Secured Party in such writing a security interest therein and in the Proceeds thereof, all upon the terms of this Security Agreement, with such writing to be in form and substance reasonably satisfactory to Secured Party.

5.7 Condition of Collateral. To the extent deemed prudent business conduct, the Grantor shall keep the Collateral in good order and repair.

5.8 Inspection. The Grantor will permit the Secured Party, or its designee, to inspect the Collateral at any reasonable time, wherever located, at the Secured Party's sole expense; provided that the parties hereto shall split the expense of any inspection occurring outside the United States so long as any such inspection is reasonably necessary to protect or otherwise preserve the Secured Party's security interest in such Collateral.

5.9 Further Assurances. At any time and from time to time, upon the written request of the Lender, and at the sole expense of Grantor, Grantor shall promptly and duly execute and deliver any and all such further instruments and documents and take such further action as the Lender may reasonably deem necessary or desirable to obtain the full benefits of this Security Agreement, including, without limitation, (a) executing, delivering and causing to be filed any financing or continuation statements (including "in lieu" continuation statements) under the UCC with respect to the

security interests granted hereby (provided, however, that Grantor shall not have any obligation to track or monitor the status of or to file any such financing or continuation statements in the absence of a reasonable written request from Lender), (b) at the Lender's reasonable request, filing or cooperating with the Secured Party in filing any forms or other documents required to be recorded with the United States Patent and Trademark Office or United States Copyright Office in order for the Secured Party to obtain the full benefit of its security interest in the Intellectual Property constituting Collateral, (c) executing and delivering and using commercially reasonable efforts to cause the applicable depository institution, securities intermediary, commodity intermediary or issuer or nominated party under a letter of credit to execute and deliver a collateral control agreement with respect to any Deposit Account constituting Collateral, Securities Account or Commodity Account or Letter-of-Credit Right constituting Collateral in or to which Grantor has any right or interest and (d) at the Lender's reasonable request, using commercially reasonable efforts to obtain acknowledgments from bailees having possession of any Collateral (other than Inventory and Equipment in transit and Inventory and Equipment with an aggregate value of less than \$50,000) and waivers of liens from landlords and mortgagees of any location where any of the Collateral (other than Inventory and Equipment in transit and Inventory and Equipment with an aggregate value of less than \$50,000) may from time to time be stored or located. Grantor also hereby authorizes the Secured Party to file any such financing or continuation statement (including "in lieu" continuation statements) without the signature of Grantor to the extent permitted by applicable law.

6. SECURED PARTY'S APPOINTMENT AS ATTORNEY-IN-FACT; PERFORMANCE BY SECURED PARTY.

(a) Subject to **Section 6(b)** below, Grantor hereby irrevocably constitutes and appoints Secured Party, and any officer or agent of Secured Party, with full power of substitution, as its true and lawful attorney-in-fact with full, irrevocable power and authority in the place and stead of Grantor and in the name of Grantor or in its own name, from time to time at the Secured Party's discretion, for the purpose of carrying out the terms of this Security Agreement, to take any and all appropriate action and to execute and deliver any and all documents and instruments that may be necessary or desirable to accomplish the purposes of this Security Agreement and, without limiting the generality of the foregoing, hereby gives Secured Party the power and right, on behalf of Grantor, without notice to or assent by Grantor to do the following:

(i) to ask, demand, collect, receive and give acquittances and receipts for any and all monies due or to become due under any Collateral and, in the name of Grantor, in its own name or otherwise to take possession of, endorse and collect any checks, drafts, notes, acceptances or other Instruments for the payment of monies due under any Collateral and to file any claim or take or commence any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Secured Party for the purpose of collecting any and all such monies due under any Collateral whenever payable;

(ii) to pay or discharge any Liens, including, without limitation, any tax Lien, levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Security Agreement and to pay all or any part of the premiums therefor and the costs thereof, which actions shall be for the benefit of Secured Party and not Grantor;

(iii) to (1) direct any person liable for any payment under or in respect of any of the Collateral to make payment of any and all monies due or to become due thereunder directly to Secured Party or as Secured Party shall direct, (2) receive payment of any and all monies, claims and other amounts due or to become due at any time arising out of or in respect of any Collateral, (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices in connection with Accounts and other

Instruments and Documents constituting or relating to the Collateral, (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any part thereof and to enforce any other right in respect of any Collateral, (5) defend any suit, action or proceeding brought against Grantor with respect to any Collateral, (6) settle, compromise or adjust any suit, action or proceeding described above, and in connection therewith, give such discharges or releases as Secured Party may deem appropriate, (7) license, or, to the extent permitted by an applicable License, sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any Copyright, Patent or Trademark throughout the world for such term or terms, on such conditions and in such manner as Secured Party shall in its discretion determine and (8) sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Secured Party were the absolute owner thereof for all purposes; and

(iv) to do, at Secured Party's option and Grantor's expense, at any time, or from time to time, all acts and things that Secured Party may reasonably deem necessary to protect, preserve or realize upon the Collateral and Secured Party's security interest therein in order to effect the intent of this Security Agreement, all as fully and effectively as Grantor might do.

(b) Notwithstanding anything to the contrary in this **Section 6**, Secured Party agrees that, except upon the occurrence and during the continuation of an Event of Default, it shall not exercise the power of attorney or any rights granted to Secured Party pursuant to this **Section 6**. Grantor hereby ratifies, to the extent permitted by law, all that said attorney shall lawfully do or cause to be done by virtue hereof. The power of attorney granted pursuant to this **Section 6** is a power coupled with an interest and shall be irrevocable until the Secured Obligations are completely paid and performed in full.

(c) If Grantor fails to perform or comply with any of its agreements contained herein and Secured Party, as provided for by the terms of this Security Agreement, shall perform or comply, or otherwise cause performance or compliance, with such agreement (provided that, unless an Event of Default has occurred and is continuing, the Secured Party shall not exercise the foregoing powers without first making demand on Grantor and the Grantor shall have failed to promptly comply therewith), the reasonable expenses, including reasonable attorneys' fees and costs of one counsel to Secured Party, of Secured Party incurred in connection with such performance or compliance, together with interest thereon at a rate of interest equal to the highest per annum rate of interest charged on the Note Purchase Price Consideration, shall be payable by Grantor to Secured Party within five (5) Business Days of demand and shall constitute Secured Obligations secured hereby.

7. RIGHTS AND REMEDIES UPON DEFAULT. Beginning on the date that is ten (10) Business Days after Grantor receives written notice from Secured Party that any Event of Default shall have occurred and while such Event of Default is continuing:

(a) The Secured Party may exercise, in addition to all other rights and remedies granted to it under this Security Agreement or the Note, all rights and remedies of a secured party under the UCC. Without limiting the generality of the foregoing, Grantor expressly agrees that in any such event the Secured Party, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon Grantor or any other person, may (i) reclaim, take possession, recover, store, maintain, finish, repair, prepare for sale or lease, shop, advertise for sale or lease and sell or lease (in the manner provided herein) the Collateral, and in connection with the liquidation of the Collateral and collection of the accounts receivable pledged as Collateral, use any Trademark, Copyright, or process used or owned by Grantor and (ii) forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and may forthwith sell, lease, assign, give an option or options to purchase or sell or otherwise dispose of and deliver said Collateral (or contract to do so), or any part thereof, in one or more parcels at public or private sale or

sales, at any exchange or broker's board or at the Secured Party's offices or elsewhere at such prices as it may deem commercially reasonable, for cash or on credit or for future delivery without assumption of any credit risk. Grantor further agrees, at the Lender's request, to assemble the Collateral and make it available to the Secured Party at places that the Secured Party shall reasonably select, whether at Grantor's premises or elsewhere. The Secured Party shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale as provided in **Section 7(e)**, below, with Grantor remaining liable for any deficiency remaining unpaid after such application. Grantor agrees that the Secured Party need not give more than twenty (20) days' notice of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matters.

(b) As to any Collateral constituting certificated securities or uncertificated securities, in each case, covered by Article 8 of the UCC, if, at any time when Secured Party shall determine to exercise its right to sell the whole or any part of such Collateral hereunder, such Collateral or the part thereof to be sold shall not, for any reason whatsoever, be effectively registered under Securities Act of 1933, as amended (as so amended the "*Act*"), the Secured Party may, in its discretion (subject only to applicable requirements of law), sell such Collateral or part thereof by private sale in such manner and under such circumstances as the Secured Party may deem necessary or advisable, but subject to the other requirements of this **Section 7(b)**, and shall not be required to effect such registration or cause the same to be effected. Without limiting the generality of the foregoing, in any such event the Secured Party may, in its discretion, (i) in accordance with applicable securities laws, proceed to make such private sale notwithstanding that a registration statement for the purpose of registering such Collateral or part thereof could be or shall have been filed under the Act; (ii) approach and negotiate with a single possible purchaser to effect such sale; and (iii) restrict such sale to a purchaser who will represent and agree that such purchaser is purchasing for its own account, for investment, and not with a view to the distribution or sale of such Collateral or part thereof. In addition to a private sale as provided above in this **Section 7(b)**, if any of such Collateral shall not be freely distributable to the public without registration under the Act at the time of any proposed sale hereunder, then the Secured Party shall not be required to effect such registration or cause the same to be effected but may, in its discretion (subject only to applicable requirements of law), require that any sale hereunder (including a sale at auction) be conducted subject to such restrictions as the Secured Party may, in its discretion, deem necessary or appropriate in order that such sale (notwithstanding any failure so to register) may be effected in compliance with the Bankruptcy Code and other laws affecting the enforcement of creditors' rights and the Act and all applicable state securities laws.

(c) Grantor agrees to pay all reasonable fees, costs and expenses of the Secured Party, including, without limitation, the fees of one counsel to the Secured Party, incurred in connection with the enforcement of any of its rights and remedies hereunder.

(d) Grantor hereby waives presentment, demand, protest or any notice (to the maximum extent permitted by applicable law) of any kind in connection with this Security Agreement or any Collateral.

(e) The Proceeds of any sale, disposition or other realization upon all or any part of the Collateral shall be distributed by the Secured Party in the following order of priorities:

FIRST, to the Secured Party in an amount sufficient to pay in full the costs of the Secured Party in connection with such sale, disposition or other realization, including all reasonable costs, expenses, liabilities and advances incurred or made by any Secured Party in connection therewith, including, without limitation, the fees of one counsel to the Secured Party;

SECOND, to the Secured Party in the amount of any then unpaid Secured Obligations of the Secured Party; and

FINALLY, upon payment in full of the Secured Obligations, to Grantor or its representatives, in accordance with the UCC or as a court of competent jurisdiction may direct.

8. INDEMNITY. Grantor agrees to defend, indemnify and hold harmless the Secured Party and its officers, employees, and agents against (a) all obligations, demands, claims, and liabilities claimed or asserted by any other party in connection with the transactions contemplated by this Security Agreement and (b) all losses or expenses in any way suffered, incurred, or paid by the Secured Party as a result of or in any way arising out of, following or consequential to transactions contemplated by this Security Agreement (including without limitation, reasonable attorney's fees and expenses), except for losses arising from or out of the Secured Party's gross negligence or willful misconduct.

9. REINSTATEMENT. This Security Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against Grantor for liquidation or reorganization, should Grantor become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of Grantor's property and assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Secured Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Secured Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

10. MISCELLANEOUS.

10.1 Waivers; Modifications. None of the terms or provisions of this Security Agreement may be waived, altered, modified or amended except by an instrument in writing, duly executed by Grantor and the Lender.

10.2 Termination of this Security Agreement and Release of Liens. Subject to **Section 9** hereof, this Security Agreement shall terminate upon the payment and performance in full of the Secured Obligations and immediately thereupon, the Collateral shall be released from the Liens created hereby, and this Security Agreement and all obligations of Secured Party and Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to Grantor. At the request and sole expense of Grantor following any such termination, Secured Party shall deliver to Grantor any Collateral held by Secured Party hereunder, and execute and deliver to Grantor such documents as Grantor shall reasonably request to evidence such termination. Any such documents shall be prepared by Grantor and shall be in form and substance reasonably satisfactory to Secured Party.

10.3 Successor and Assigns. This Security Agreement and all obligations of Grantor hereunder shall be binding upon the successors and assigns of Grantor, and shall, together with the rights and remedies of the Secured Party hereunder, inure to the benefit of the Secured Party, any future holder of any of the Secured Obligations and their respective successors and assigns. No sales of participations, other sales, assignments, transfers or other dispositions of any agreement governing or instrument evidencing the Secured Obligations or any portion thereof or interest therein shall in any manner affect the lien granted to the Secured Party hereunder.

10.4 Governing Law. In all respects, including all matters of construction, validity and performance, this Security Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware applicable to contracts made and performed in such state, without regard to the principles thereof regarding conflict of laws, except to the extent that the UCC provides for the application of the law of a different jurisdiction.
