ASSIGNMENT OF PATENT

THIS ASSIGNMENT OF PATENT (the "Assignment") entered into this 6th day of November, 2012, by and between QT Dmg, LLC whose full address is 444 Mint Way, Dallas, TX 75236 (hereinafter the "Assignor") and Michael B. Kitchen whose full address is 4408 Monmouth Castle Rd., Virginia Beach, VA 23455 (hereinafter the "Assignee");

IN CONSIDERATION of one dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration, the Assignor does hereby sell, assign, transfer, and convey to the Assignee, its successors, and assigns, all of the Assignor's right, title, and interest in and to the following patent (the "Patent"):

- Patent: United States Design Patent
Patent Application Number: US D563,608 S
Inventors: Michael B. Kitchen
Owner: Michael B. Kitchen
Applicants: Michael B. Kitchen
Filed: April 19, 2006
Open to Public Inspection: _____
Abstract: US00D563608S

2. The Assignor further hereby covenants that it will, at any time, upon the request of the Assignee, execute and deliver to the Assignee any new or confirmatory instruments and to perform (at the Assignee's reasonable expense) any other acts which the Assignee may reasonably request in order to fully assign and transfer to and vest in the Assignee all of the Assignor's right, title, and interest in and to the Patent.

3. This Assignment included all of the Assignor's right to all income, royalties, damages, and payments now or hereafter due and payable, and in and to all causes of action, either in law or in equity, and the right to sue, counterclaim, and recover for past, present, and future infringement of the rights assigned or to be assigned under this Assignment, as fully and entirely as the same would have been held and enjoyed by the Assignor if this sale and assignment had not been made.

4. Nothing contained herein shall be deemed or construed as an assignment of any rights of the Assignor or any related or future inventions or intellectual property.
