ASSIGNMENT

1. **IN CONSIDERATION** of payment of Ten U.S. Dollars (US\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

DZT Industries, LLC
58 Dekker Drive
Golden Colorado 80401

(the "Assignor")

being the owner of all rights, title and interest in and to the following U.S. Patent Applications:

U.S. Patent Application No. 12/550,111, "Method and Apparatus for Positioning Heating Elements";

U.S. Patent Application No. 29/493,206, "Floor Underlayment"; and

U.S. Provisional Application No. 62/038,733, "Method and Apparatus for Positioning Heating Elements"

(collectively, the "Patent Applications")

hereby sells, assigns and transfers absolutely the Assignor's entire right, title and interest in and to the Patent Applications, and the inventions described therein, to:

Progress Profiles SpA
Via Le Marze 7
31011 Asolo (TV)
Italy

(the "Assignee").

2. Such rights, title and interest shall henceforth be held and enjoyed by Assignee or Assignee's successors, assigns or legal representatives for the full terms of any and all patents which may be issued from any of the Patent Applications and any and all patents issuing from any and all additional applications (including provisional, non-provisional, divisional, continuation, continuation-in-part or reissue applications) based in whole or in part on any of the Patent Applications, as fully and entirely as such right, title and interest would have been held and enjoyed by the Assignor had this Assignment not been made.

3. The Assignor hereby assigns to the Assignee any priority rights arising in respect of the Patent Applications, and the Assignor hereby authorizes the Assignee to file provisional, non-provisional, divisional, continuation, continuation-in-part or reissue applications based on any of the Patent Applications, as the Assignees may elect.

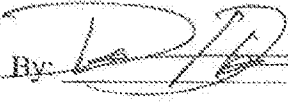

4. The Assignor hereby covenants and agrees that it will at any time, upon the request of the Assignee:

- a. execute or procure any further necessary assurance of title to the Patent Applications and any and all additional applications based on any of the Patent Applications, and to any and all patents issuing from any of the Patent Applications or any additional applications;
- b. sign all documents legally or otherwise required in connection with any of the Patent Applications or any additional applications based on any of the Patent Applications; and
- c. make all rightful oaths and declarations required in connection with any of the Patent Applications or any additional applications based on any of the Patent Applications;

and that it will do all of the foregoing without further compensation, but at the sole expense of the Assignee or its successors, assigns or other legal representatives.

IN WITNESS WHEREOF, the Assignor has executed this Assignment by its proper, authorized principal at Broomfield, Colorado this 12 day of August, 2015.
