CONFIRMATORY ASSIGNMENT

WHEREAS, Jessie Storey, hereinafter called the "Assignor" and having a mailing address at Kapuzinerstrasse 35 Munich Germany 80469, has made the invention described in: (1) a Patent Cooperation Treaty Application No. PCT/FR2013/053132 (PCT Application), entitled "Work and Discussion Space" filed December 17, 2013; and (2) a U.S. Patent Application entitled "Work and Discussion Space" associated with the client and attorney reference numbers listed above and claiming priority to the PCT application;

WHEREAS, pursuant to an Employment Agreement having an effective date prior to December 17, 2013, and for valuable and legally sufficient consideration received prior to December 17, 2013, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor did previously transfer, sell and assign to Steelcase S.A., hereinafter called the "Assignee" and having a place of business at 1 Allee d'Oslo, Espace Europeen de l'Enterprise, Schillingheim, France 67300, the entire right, title and interest for the United States in and to the invention and the patent applications identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents issuing therefrom in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

NOW, THEREFORE, and further in view of the aforementioned valuable and legally sufficient consideration, the Assignor does hereby confirm having made the above-referenced Assignment prior to December 17, 2013, and to the extent that such Employment Agreement is deemed insufficient to have effected such transfer,

sale and assignment, does hereby transfer, sell and assign to Steelcase S.A., effective prior to December 17, 2013, the entire right, title and interest for the United States in and to the invention and the patent applications identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents issuing therefrom in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

IN TESTIMONY WHEREOF, the Assignor has executed this Confirmatory Assignment.
