## ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I David H. Mordaunt of 23116 Summit Road, Los Gatos, California (Assignor) hereby sell, assign and transfer to LaserX LLC of 23116 Summit Road, Los Gatos, California (Assignee), its successors and assigns, the entire right, title and interest throughout the world in the patents and patent applications listed in Schedule A below and in the inventions described or claimed therein, and all patent applications and patents of every country for said inventions, including divisionals, reissues, continuations, and extensions thereof, and all rights of priority resulting from the filing of said applications; Assignor authorizes Assignee to apply for patents of foreign countries for said inventions, and to claim all rights of priority without further authorization from Assignor; Assignor agrees to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid Assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and Assignor requests that the United States Patent and Trademark Office issue all patents granted for said invention to Assignee, its successors and assigns.
