## ASSIGNMENT

WHEREAS, I, Seamus Gilhooley, residing at Belleville Lodge, Athenry, County Galway, the Republic of Ireland, made certain new and useful inventions and improvements for which I filed an application for Letters Patent of the United States on 18 January 2016, which application was assigned U.S. patent application serial number 14/997,720 and is entitled SURGICAL SAGITTAL SAW AND COMPLEMENTARY BLADE WITH FEATURES THAT FIXEDLY HOLD THE BLADE STATIC TO THE SAW and for which European Application No. 16 000 121.0 was filed on 20 January 2106, (collectively hereinafter "the Applications");

AND WHEREAS, Stryker European Holdings I, LLC a limited liability company Corporation, a limited liability company organized and existing under and by virtue of the laws of the State of Delaware, the United States of America and having an office and place of business at 2825 Airview Boulevard, Kalamazoo, Michigan, 49002 United States of America (hereinafter "Stryker"), is desirous of acquiring the entire right, title and interest in and to said inventions, improvements disclosed in the Applications and in and to the Letters Patent to be obtained based on the Applications;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, I have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto Stryker, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the Applications, and in and to the said application, all divisions, continuations, continuations-in-part, or renewals thereof, all Letters Patent which may be granted based on the Applications, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the said inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted based on the Applications; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to

Stryker as the assignee of the entire right, title and interest in and to the same, for the use of Stryker, its successors and assigns.

AND, for the consideration aforesaid, I do hereby agree that I and my executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to Stryker, its successors and representatives all facts known to me relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in Stryker, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore, I covenant and agree with Stryker, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 27<sup>th</sup> day of May, 2016.
