ASSIGNMENT

WHEREAS, Evergreen Research, Inc., a Colorado corporation having a place of business at 433 Park Point Drive, Golden, Colorado 80401 (hereinafter "Assignor"), is an assignee of an interest in and to the invention(s) disclosed in a PCT Patent Application entitled **IMPROVED WORK STATION FOR MEDICAL DOSE PREPARATION SYSTEM**, filed on March 15, 2013 as PCT International Application No. PCT/US2013/032545; and,

WHEREAS, Baxter Corporation Englewood, a Colorado corporation having a place of business at 9540 S. Maroon Circle, Englewood, Colorado 80112 (hereinafter "Assignee"), is desirous of formalizing its rights in said interest of **Assignor**;

NOW THEREFORE, be it known that for certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, **Assignor** does sell, assign and transfer to **Assignee**, its successors, legal representatives and assigns, the entire right, title and interest of **Assignor** in the aforesaid application and Assignor's rights in all rights to claim priority directly or indirectly to the aforesaid application, and all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention(s), and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the invention(s) in the United States or any other country; **Assignor** also assigns any right, title or interest in and to the invention(s) which has not already been transferred to **Assignee**; **Assignor** warrants that no assignment has been made of the invention(s), application or patent therefor by **Assignor** to a party other than **Assignee** and **Assignor** is under no obligation to make any assignment of the invention(s), application, or patent therefor to any party other than **Assignee**; and **Assignor** further agrees to execute any and all documents that shall be required to be executed in connection with any and all patent applications for the invention(s) and to otherwise cooperate with the **Assignee** and **Assignee's** assigns in efforts to obtain patent protection for the invention(s).

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the day indicated hereunder.
