ASSIGNMENT

Attorney Docket No.

M093.12-0523

WHEREAS, I, Erhard KISKER of Düsseldorf, GERMANY (hereinafter referred to as ASSIGNOR), am the sole inventor of an invention described in an application for Letters Patent of the United States entitled MAGNETIC SENSOR ASSEMBLY, the application being identifiable in the United States Patent and Trademark Office by Application No. 12/091,980, filed May 20, 2008 now U.S. Patent No. 8,082,805, issued December 27, 2011; and also International PCT Application No. PCT/EP2006/010447 filed October 31, 2006; European Patent Application No. 06828893.5, filed on October 31, 2006; and German Patent Application DE20051052906, filed November 3, 2005; and

WHEREAS, MTS Sensor Technologie GmbH & Co. KG. (hereinafter referred to as ASSIGNEE), a corporation organized and existing under the laws of Germany, and having offices at Auf dem Schüffel 9, D-58513 Lüdenscheid, GERMANY, is desirous of acquiring the entire right, title and interest in and to the invention, the issued U.S. Patent, the International Application, the European Patent Application, the German Patent Application and any and all Letters Patent(s) or similar legal protection, foreign or domestic, to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor transferred as of _____ and/or hereby transfers to Assignee, its successors and assigns, my entire right, title and interest in and to the invention, the issued U.S. Patent, the International Application, the European Patent Application and the German Patent Application identified above, corresponding domestic and foreign applications claiming rights or benefits to the above-identified application(s) including non-provisional applications, continuation applications, continuing applications, divisional applications, reissue applications, reexamination applications, design applications and continuation-in-part applications, all Letters Patent(s) or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention, including all rights of priority; and Assignor authorizes the Director of the United States Patent and Trademark Office or foreign equivalent thereof to issue the Letters Patent or similar legal protection to the Assignee.

Assignor authorizes the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all foreign countries.

Assignor represents to the Assignee, its successors and assigns, that Assignor has not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. Assignor, his executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries.

Assignee hereby accepts the entire right, title and interest in and to the invention, the above-identified application(s), corresponding domestic and foreign applications claiming rights or benefits to the above-identified application(s) including non-provisional applications,
