PATENT ASSIGNMENT

THIS ASSIGNMENT, effective as of 5/31/16 ("Effective Date"), is made by and between MINITUBE OF AMERICA, INC., a Wisconsin corporation ("Assignor"), and MofA GROUP, LLC ("Assignee"), a Delaware limited liability company, with its principal offices located at 117 E. Green Bay Street, P.O. Box 469, Shawano, Wisconsin 54166-0469.

WHEREAS, the Assignor is the owner of the U.S. Patent 5,961,503 and any and all formal applications, continuing applications, divisional applications, substitutions and continuation-in-part applications and any patents issuing on said applications including reissues, re-examinations, extensions and any corresponding foreign counterparts, including Canadian Patent No. 2,236,748 (the "Intellectual Property").

WHEREAS, the Assignee is interested in acquiring the Intellectual Property and related rights from the Assignor, and the Assignor is interested in transferring the Intellectual Property and related rights to the Assignee.

NOW, THEREFORE, the Assignor, for the sum of one United States Dollar, and for other consideration, the receipt, adequacy and sufficiency of which is acknowledged by the Assignor:

1. Hereby assigns to the Assignee, its successors and assigns, its entire right, title and interest in and to the Intellectual Property, and in and to any patent or patents applications that issue based upon the Intellectual Property, to have, hold and make use of the same, and to sue for any infringement of the Intellectual Property that may have occurred prior to the Effective Date of this Assignment.
2. Assigns to the Assignee, its successors and assigns, all licensing agreements, and the rights and benefits thereof, granted to any third parties in relation to the Intellectual Property.
3. Authorizes and requests that the respective Patent Offices issue and/or record this Assignment to the Assignee of the entire right, title and interest in and to the Intellectual Property, and in and to any patent or patents that issue based upon the Intellectual Property.
4. Will make available, at Assignee's request and at Assignee's expense (in terms of incidental expenses incurred but not to include any compensation for time expended), the inventor(s) corresponding to the Intellectual Property to the extent that the inventor(s) is still an employee or under the control of Assignor, to testify in any interference, opposition or other legal proceeding, and to sign all papers, execute all divisional, continuing and reissue applications, and to make all rightful oaths and generally do everything possible to aid the Assignee, its successors, assigns or other legal representatives, to obtain and enforce the Intellectual Property and any patent or patents based upon the Intellectual Property.

PATENT ASSIGNMENT

5. Will, at any time and upon request and at the expense of Assignee (in terms of incidental expenses incurred but not to include any compensation for time expended), execute and deliver or cause to be executed and delivered by inventor(s) still within its employ or under its control, any and all papers that may be necessary or desirable to perfect the title to the Intellectual Property, or to any patent or patents that issue based upon the Intellectual Property, on behalf of Assignee, its successors, assigns or other legal representatives, and the Assignor will, at any time upon request, communicate to the Assignee, its successors, assigns or other legal representatives, such facts relating to the Intellectual Property or any related patent(s) as may be known to it.

IN WITNESS HEREOF, Assignor has given legal effect to this Assignment by its duly authorized representative.
