PATENT AND INVENTION ASSIGNMENT

WHEREAS, the undersigned:

John E. Holland, a citizen of the United States of America, residing at 6577 Vance Street, Bailey, North Carolina 27807;

Connie W. Holland, a citizen of the United States of America, residing at 6577 Vance Street, Bailey, North Carolina 27807;

Daniel M. Nathan, a citizen of the United States of America, residing at 105 Todd Lane, Wendell, North Carolina 27591; and

Thomas R. Pherson, a citizen of the United States of America, residing at 26 Conestoga Court, Chadds Ford, Pennsylvania 19317

(hereinafter collectively referred to as "Assignors") have invented certain inventions and improvements disclosed in a non-provisional application for United States Patent entitled **FABRIC CLOSURE WITH AN ACCESS OPENING FOR CARGO CONTAINERS**, which application is about to be filed in the United States Patent and Trademark Office and was executed as follows:

by **John E. Holland** on July 14, 2011;

by **Connie W. Holland** on July 14, 2011;

by **Daniel M. Nathan** on July 14, 2011;

by **Thomas R. Pherson** on _____;

WHEREAS, **JHRG, LLC**, a Limited Liability Company organized and existing under the laws of the state of North Carolina, having its principal place of business at 303 South Pine Street, Spring Hope, North Carolina, 27882, desires to acquire joint right, title and interest in the patent application identified above, all related inventions, and all patents which may be obtained from said application in designated countries, as set forth below;

WHEREAS, **Advanced Composite Structures, LLC**, a Limited Liability Company organized and existing under the laws of the state of Albuquerque, having its principal place of business at 540 Silver Creek Road NW, Albuquerque, New Mexico 87121, desires to acquire joint right, title and interest in the patent application identified above, all related inventions, and all patents which may be obtained from said application in designated countries, as set forth below;

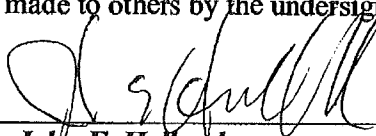

NOW, THEREFORE, for good and valuable and legally sufficient consideration, the receipt and sufficiency of which is hereby acknowledged, each of the undersigned **Assignors** individually (and all jointly) have assigned and by these presents do assign and transfer unto **JHRG, LLC and Advanced Composite Structures, LLC**, in undivided one-half interests, the full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in said application, (ii) in and to said application, (iii) in and to all divisional, continuation, and continuation-in-part applications describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefor, (iv) in and to all patents of the United States which may be granted on the foregoing and all reissues and extensions thereof, (v) in and to any provisional patent applications filed in the United States describing in whole or in part the said inventions and improvements, from which priority has been or may be claimed under Title 35 of the United States Code, and (vi) in and to the right to claim any applicable foreign and domestic priority rights arising from any of the afore-mentioned patent applications; and **Assignors** do hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from said application, or from a division, continuation, continuation-in-part, or reissue thereof, to **JHRG, LLC and Advanced Composite Structures, LLC** as Co-Assignees, for their interest and for the sole use and behoof of **JHRG, LLC and Advanced Composite Structures, LLC** and their assigns and legal representatives;

For the same consideration, **Assignors**, by these presents, do sell, assign and transfer to **JHRG, LLC and Advanced Composite Structures, LLC**, in undivided one-half interests, the full, exclusive and entire right, title and interest: in and to any and all applications for industrial property protection, including without limitation, all applications for patents, utility models, inventors' certificates and designs, (the "Foreign Applications") filed or which are hereafter filed in countries foreign to the United States and describing in whole or in part the said inventions and improvements, in and to any Patents and similar protective rights granted on said Foreign Applications, and in and to the right to file such applications and the right to claim any applicable priority rights arising from or required for said Foreign Applications under the terms of any applicable conventions, treaties, statutes, or regulations; said Foreign Applications to be filed and issued in the name of **JHRG, LLC and Advanced Composite Structures, LLC** or their respective designees, insofar as permitted by applicable law;

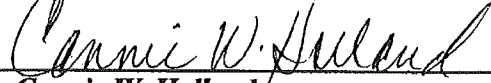

AND, for the same consideration, **Assignors** agree to communicate to the said **Assignees**, its successors, legal representatives and assigns, any facts known to **Assignors** respecting said

invention, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid JHRG, LLC and Advanced Composite Structures, LLC their successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world; and

Assignors covenant with Assignees, their respective successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned.

ASSIGNMENT

WHEREAS, John E. Holland of 6577 Vance Street, Bailey, North Carolina 27807; Connie W. Holland of 6577 Vance Street, Bailey, North Carolina 27807; Daniel M. Nathan of 105 Todd Lane, Wendell, North Carolina 27591; and Thomas R. Pherson of 26 Conestoga Court, Chadds Ford, Pennsylvania 19317, respectively, thereafter "Assignors" have invented certain new and useful improvements in

FABRIC CLOSURE WITH AN ACCESS OPENING FOR CARGO CONTAINERS

Thereinafter "invention" for which Assignors are making or have made application for Letters Patent of the United States, which application has filed on July 18, 2011 as U.S. Serial No. 13/185,057.

AND WHEREAS JHRG LLC, a limited liability company organized and existing under the laws of the State of North Carolina, U.S., having a place of business at 303 South Pine Street, Spring Hope, North Carolina 27882 and **ADVANCED COMPOSITE STRUTURES, LLC**, a limited liability company organized and existing under the laws of the New Mexico, U.S., having a place of business at 540 Silver Creek Road NW, Albuquerque, hereinafter collectively called the "Assignees," are desirous of acquiring the entire right, title and interest in and to said invention wherein the United States of America and its territorial possessions and all foreign countries and any United States of foreign LETTERS PATENT that may be granted therefor.

NOW, THIS INDENTURE WITNESSETH, that for good and valuable considerations, the receipt whereof is hereby acknowledged. Assignors have assigned, sold and transferred, and do hereby assign, sell and transfer to the said Assignees the entire right, title and interest in and to the said invention, within the United States of America and its territorial possessions and all foreign countries and in and to any LETTERS PATENT of the United States and foreign countries, including utility models, inventor's certificates and like government grants, and all divisions, reissues, continuations and extensions thereof that may be granted therefor, and the right to apply for LETTERS PATENT in foreign countries with full benefit of such priorities as may now or hereafter be granted to Assignors by local laws or by treaty, including any international convention, for the protection of industrial property, together with the right to

extend the protection of said U.S. LETTERS PATENT to the various territorial possessions now owned or which may be hereafter acquired by the United States of America, all said rights to be held and enjoyed by Assignees for its own use and benefit, and for the use and benefit of its successors or assigns, to the full end of the term for which said LETTERS PATENT may be granted, as fully and entirely as the same would have been held and enjoyed by Assignors if this assignment and sale had not been made. And Assignors do hereby request and authorize the Commissioner of Patents and Trademarks, U.S.A., to issue said U.S. LETTERS PATENT, when granted, in accordance with this assignment.

Assignors further covenant and agree with the Assignees that Assignors have a full and unencumbered title to the invention hereby assigned, which title Assignors warrant unto the Assignees, and Assignors further agree that Assignors will, without demanding any further consideration therefor, at the request but at the expense of the Assignees, do all lawful and just acts, including the execution and acknowledgment of instruments, that may be or become necessary for obtaining, sustaining, extending, reissuing or reexamining United States and foreign LETTERS PATENT or the like for the said invention, and for maintaining and perfecting the Assignees' right to said invention and LETTERS PATENT particularly in cases of interference, conflict, opposition and litigation.
