ASSIGNMENT

WHEREAS, we, Ernest B. Widner, a citizen of the United States residing at 6318 Spring Cove Drive, Flowery Branch, Georgia 30542, Yavuz Aksan, a citizen of Turkey residing at 3835 Regal Oaks Drive, Suwanee, Georgia 30024, and Wayne P. Gasior, a citizen of the United States residing at 4927 Overlook View Court, Duluth, Georgia 30096 (“Assignors”), have invented certain new and useful inventions for “BLISS CONTAINER”, for which U.S. Patent Application No. 29/546,458 was filed on November 23, 2015 (Docket No. 21136-P1-USA); and

WHEREAS, Georgia-Pacific Corrugated LLC, a limited liability company of the State of Delaware having a place of business at 133 Peachtree Street, N.E., Atlanta, Georgia 30303 (“Assignee”), desires acquiring or has acquired Assignor’s interest in the above-identified invention, the above-identified patent application, and any related patent applications and patents;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors by these presents do hereby sell, assign, and transfer, or by virtue of employment agreements or other applicable agreements have sold, assigned, and transferred, unto Assignee, its successors, legal representatives, and assigns, Assignors’ entire right, title, and interest in and to the above-identified invention, the above-identified patent application, any U.S. or foreign patent applications related to the above-identified invention, any U.S. or foreign patent applications claiming priority to any of the above-referenced patent applications, including any division, continuation, continuation-in-part, reexamination, reissue, extension, substitution, or renewal of any of the above-referenced patent applications, any right to claim priority arising from or required for any of the above-referenced patent applications under any applicable convention, treaty, statute, or regulation, any other right, privilege, or form of protection related to the above-identified invention or any of the above-referenced patent applications, and any U.S. or foreign patent granted from any of the above-referenced patent applications, to the full end of the term of the patent, to be held and enjoyed by Assignee, its successors, legal representatives, and assigns as fully and entirely as it would have been held and enjoyed by Assignors;

AND, Assignors hereby authorize Assignee to file any of the above-referenced patent applications in the name of Assignee or its designee, and Assignors authorize and request the patent office of any country to issue any patent granted from any of the above-referenced patent applications in the name of Assignee or its designee, and Assignors further authorize Assignee to insert the serial number and filing date of the above-identified patent application into this Assignment if unknown upon execution of this Assignment; and

AND, Assignors hereby warrant and covenant that Assignors have not and will not execute any assignment or other instrument in conflict with this Assignment;

AND, Assignors hereby covenant and agree to perform any reasonable acts necessary or desirable to aid Assignee, its successors, legal representatives, and assigns, to obtain, maintain, and enforce protection in the U.S. and foreign countries for the above-referenced invention, patent applications, and patents, including signing lawful papers, executing patent applications, making assignments, rightful oaths, and declarations, and testifying in judicial or administrative proceedings.

CITY Lawrenceville		STATE GA	ZIP 30043
G-P LOCATION 429			DIVISION NUMBER 350

For and in consideration of my employment by Georgia-Pacific Corporation ("Georgia-Pacific"), a Georgia corporation, or if now employed, my continued employment by Georgia-Pacific, I hereby agree as follows:

- I will serve Georgia-Pacific faithfully and to the best of my ability.
- During my employment with Georgia-Pacific and thereafter, I will not, directly or indirectly, use for myself or for others or disclose to any other party any secret, proprietary, confidential, or trade secret information, including, but not limited to, knowledge or data relating to any product, apparatus, process, formula, manufacturing, purchasing, accounting, engineering, or marketing method at any time used, developed, acquired, discovered, or investigated by Georgia-Pacific, whether or not used, invented, developed, acquired, discovered, or investigated by me while in the employ of Georgia-Pacific.
- At the termination of my employment with Georgia-Pacific or at any other time Georgia-Pacific may request, I will promptly deliver to Georgia-Pacific, without retaining any copies, all memoranda, notes, records, plats, sketches, plans, correspondence, or other documents of whatsoever nature in my possession or control relating to the information described in Paragraph 2.
- Any invention, improvement, or discovery, whether or not patentable, that relates to past or present business of Georgia-Pacific (including research and evaluation), which I conceive or make, either alone or in conjunction with others, at any time during my employment by Georgia-Pacific or within six months immediately thereafter, shall be the sole and exclusive property of Georgia-Pacific. I will disclose to Georgia-Pacific each such invention, improvement, or discovery and will, whenever requested to do so by Georgia-Pacific, promptly execute any and all applications, assignments, and other instruments which Georgia-Pacific shall deem necessary in order to apply for and obtain letters patent of the United States and/or foreign countries for said invention, improvement, or discovery, and in order to assign and convey to Georgia-Pacific or its order the sole and exclusive right, title, and interest in and to said invention, improvement, or discovery.
- I hereby acknowledge that I have read and understand the following notice:

The Employee is hereby notified that no assignment to Georgia-Pacific is required concerning any invention for which no equipment, supplies, facility, or trade secret information of Georgia-Pacific was used and which was developed entirely on the Employee's own time and (1) which does not relate (a) directly to the business of Georgia-Pacific or (b) to Georgia-Pacific's actual or demonstrably anticipated research or development, or (2) which does not result from any work performed by the Employee for Georgia-Pacific.

I further acknowledge my duty to disclose to Georgia-Pacific in confidence all inventions developed or being developed by me, either solely or jointly with others, during the term of my employment, whether or not such inventions are assignable under this Paragraph 5.

- This Agreement shall be construed under the laws of the State of Georgia and shall be binding on and enforceable against my heirs and legal representatives and the assignees of any invention, improvement, or discovery conceived or made by me. If any provision of this Agreement is held invalid in any respect, it shall not affect the validity of any other provision of this Agreement. If any provision of this Agreement is held to be unreasonable as to time, scope, or otherwise, it shall be construed by limiting and reducing it so as to be enforceable under then applicable law. Nothing herein shall obligate me or Georgia-Pacific to continue my employment for any specified period of time, and my employment may be terminated, with or without cause, at any time at my option or at the option of Georgia-Pacific. As used herein "Georgia-Pacific" shall include Georgia-Pacific Corporation or any entity controlled by or under common control with Georgia-Pacific Corporation.
- This Agreement supersedes any and all prior agreements between me and Georgia-Pacific concerning confidential information and inventions.
