WHEREAS, MASTERCOIL LLC, an Oklahoma limited liability company, having an address at P.O. Box 583, Ft. Gibson, Oklahoma 74434 (hereinafter "ASSIGNEE") is desirous of acquiring the right, title and interest in, to and under the same letters patent and applications for letters patent and the inventions covered thereby:

NOW, THEREFORE, TO ALL IT MAY CONCERN, Be it known that for and in consideration of the sum of One Dollar (\$1.00) to it in hand paid by the said ASSIGNOR, and other good and valuable consideration, the receipt of which is hereby acknowledged, the said ASSIGNOR has sold, assigned, transferred and set over and does hereby sell, assign, transfer and set over to the said ASSIGNEE, the said inventions, applications and the letters patents aforesaid, including any patents issued on said applications, including any reissue or reexamination certificates of said letters patents which may be granted on said patents, the inventions, applications and patents to be held and enjoyed by ASSIGNEE, for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives to the end of the term or terms for which said letters patent of the United States are or may be granted as fully and entirely as the same would have been held and enjoyed by the said ASSIGNOR if this assignment and sale had not been made; together with all claims for damages by reason of past

infringement of said letters patent, with the right to sue for, and collect the same for its own use and behoof, and for the use and behoof of its successors, assigns or other legal representatives.

AND, ASSIGNOR hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent of the United States on said invention, or resulting from said applications, any from any and all divisions and continuations thereof to the said ASSIGNEE of the entire interest, and hereby covenants that ASSIGNOR has full right to convey the entire interest therein assigned, and that it has not executed and will not execute any agreement in conflict therewith.

AND, ASSIGNOR further hereby covenants and agrees that it will, at any time, upon request, at the expense of said ASSIGNEE execute and deliver any and all papers that may be necessary or desirable to perfect the title to said invention, and to said Letters Patents as may be granted therefor, in said ASSIGNEE, its successors, assigns, or other legal representatives, and that if said ASSIGNEE, its successors, assigns, or other legal representatives, shall desire to file any divisional or continuation application or to secure a reissue or reexamination of such Letters Patents, or to file a disclaimer relating thereto, ASSIGNOR, will, upon request, sign all papers, make all rightful oaths, and do all acts requisite for the filing of such divisional or continuing application, or such application for reissue or reexamination and the procuring thereof, and for the filing of such disclaimers, without further compensation, but at the expense of said ASSIGNEE, its successors or other legal representatives.

AND, ASSIGNOR does further covenant and agree, that it will, at any time, upon request, communicate to said ASSIGNEE, its successors, assigns, or other legal representatives, at its expense, such fact relating to said invention and Letters Patents or the history thereof, as may be known to it, and testify as to the same in any interference or other litigation, when requested to do so.
