## ASSIGNMENT AGREEMENT

This Assignment Agreement (this "Agreement"), effective as of the execution date written below, is made by Bodhi Technology Ventures LLC ("Assignor"), a Delaware limited liability company with its registered address at 1209 Orange Street Wilmington, DE 19801, in favor of Apple Inc. ("Assignee"), a California corporation, having a principal place of business at 1 Infinite Loop, Cupertino, California 95014.

### W I T N E S S E T H:

WHEREAS, Assignor owns certain Patent Rights (as hereinafter defined) to certain technology developed by Assignee.

WHEREAS, Assignor desires to transfer to Assignee, and Assignee desires to accept, the Patent Rights.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby agrees as follows:

1. Assignment of Patent Rights. Assignor does hereby assign, grant, transfer, contribute and deliver to Assignee the full, exclusive and entire right, title, and interest in and to:

(a) the following International Patent Application:

PCT International Patent Application No: **PCT/US2013/76063**

Title: **GESTURE-BASED INFORMATION EXCHANGE BETWEEN DEVICES IN PROXIMITY**

Filed: **December 18, 2013;**

(b) any patent that may be granted thereon in any country in the world;

(c) any divisions, continuations, continuations-in-part, renewals and reissues thereof in any country in the world;

(d) all inventions, improvements, and other intellectual property disclosed and described therein;

(e) any present or future United States or non-United States patents and patent applications based in whole or in part on the above-referenced International Patent Application or claiming priority thereto;

(f) the right to claim priority to the above-referenced International Patent Application under the terms of any applicable conventions, treaties, statutes, or regulations in any country in the world; and

(g) the right to enforce and recover damages for infringement of any of the foregoing (collectively, the "Patent Rights"), including damages for past infringement.

2. Patents to be issued to Assignee. Assignor hereby requests the U.S. Patent and Trademark Office or any other U.S. or non-U.S. agency to issue any and all patents included in the Assignment of Patent Rights to Assignee, as the assignee, for its interest and for the sole use and benefit of Assignee and its assigns and legal representatives.

3. Further Assurances. Assignor agrees without any additional consideration therefor to sign all documents, execute all divisional, continuing, renewal, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid Assignee, its successors, assigns, and nominees, to obtain and enforce proper protection for all said Patent Rights in all applicable countries throughout the world.

4. Successors and Assigns. The terms and provisions of this Agreement and the respective rights and obligations of Assignor and Assignee hereunder shall be binding upon, and inure to the benefit of, their respective successors and assigns.

5. Recordings. An executed copy of this Agreement may be filed with the United States Patent and Trademark Office or in the patent office of any other country or region, as applicable, by Assignee or Assignor at any time.

6. Governing Law. This Agreement is governed by the laws of the State of California, without application of choice of laws principles thereof.
