ASSIGNMENT

WHEREAS, we, **Mikhail Kozlov, William Cataldo and Jeffrey Caron** have made an invention which invention is claimed and described in a patent application of the United States of America entitled, "**Protein Separations Using An Acrylamide Containing Filter**" said application for United States Patent having been executed by us filed in the U.S. Patent and Trademark Office on May 3, 2016 under Serial No. 15/033,940; (PCT/US2014/064230, filed November 6, 2014); and

WHEREAS, **EMD Millipore Corporation** of 290 Concord Road, Billerica, Massachusetts 01821, is desirous of acquiring the entire right, title and interest in and to the invention and in any Letters Patent that may be granted therefore;

Now therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, we the undersigned by these presents do sell, assign, and transfer unto said **EMD Millipore Corporation**, our entire right, title and interest in and to said invention and in and to the provisional application therefore aforesaid and any letters patent that may issue therefrom in the United States of America and all countries foreign thereto, including divisionals, continuations, reissues and reexaminations thereof; said interest to be held by **EMD Millipore Corporation**, for its own use and behalf, and its successors, assigns or nominees, to the full end of the term for which said letters patent are granted, as fully and entirely as the same would have been held by Assignor had this Assignment and sale not been made.

And we hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America and respective Patent Office officials in any country foreign to the United States of America to issue said Letters Patent to said **EMD Millipore Corporation** as the assignee of our entire right, title and interest in, to and under the same, and we hereby further authorize **EMD Millipore Corporation** to apply for Letters Patent in our name or in its own name, as it in its sole discretion sees fit, utilizing any benefits which may exist under any International Agreement, in any country foreign to the United States of America.

And we do hereby agree for ourselves and for our heirs, executors and administrators to execute any lawful document and to testify as to any material fact or thing which **EMD Millipore Corporation**, its successors and assigns may deem necessary in order to secure unto itself, its successors and assigns the full right, title and interest in and to and the full enjoyment of said invention or any part thereof and any Letters Patent, the same to be done without any further consideration.

IN WITNESS WHEREOF, I hereby set my hand and affix my seal this 27th day
of May, 2016
