ASSIGNMENT

WHEREAS, I:

Troy Faletra, residing, respectively, at:

2624 SE 20 Street Fort Lauderdale, FL 33316 have made an invention entitled: **INFLATABLE LIFE RAFT WITH DETACHABLE ACCESSORY POUCH.**

and are about to make application for United States Letters Patent therefor, the same being executed by us on _____, 2016; and have made application for United States Letters Patent thereof, filed **12/06/2011**, under Serial No. **13312657**; and

WHEREAS, **Quick Raft, LLC.**, a corporation organized and existing under the laws of **Florida** and having an office and place of business at **P.O. Box 460538 Fort Lauderdale, FL 33346**, is desirous of acquiring the entire interest in said invention, said United States patent application, and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of my employment by **Quick Raft, LLC.**, and other good and valuable consideration, I do hereby sell, assign, and

transfer unto the said Quick Raft, LLC., its successors, assigns, and legal representatives, all right, title, and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said application, including any continuations and divisions thereof, and any substitute applications therefor, and any patent which may issue thereon, and any reissues of the same; and all right, title, and interest in and to every patent application filed on said invention in any other country, including renewals, revivals, continuations, and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said Quick Raft, LLC. as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and otherwise to give full effect to and perfect the rights of the assignee under this Assignment.
