WHEREAS Intellectual Discovery Co., Ltd., having a place of business at Golden Tower 10 Fl., #511 Samseoung-ro, Gangnam-gu, Seoul 135-090, Republic of Korea (hereinafter "PURCHASER") is desirous of acquiring the right, title and interest in, to and under the said Patents (and all foreign counterparts and related foreign patents).

Now, Therefore,

1. For good and valuable consideration, the receipt of which is hereby acknowledged, SELLER does hereby sell, assign, transfer and set over to PURCHASER, subject to existing encumbrances, the Patents aforesaid, and any inventions claimed in said Patent, any reissue or reissues of said Patents already granted and which may be granted, any certificates of reexamination already granted and which may be granted the same to be held and enjoyed by PURCHASER for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, to the end of the term or terms for which said Patents are or may be granted, reissued or extended as fully and entirely as the same would have been held and enjoyed by SELLER, if this assignment and sale had not been made; together with all claims for damages by reason of past, current, and future infringement and/or provisional rights under said Patents, with the right to sue for, and collect the same for its own use and behalf, and for the use and behalf of its successors, assigns or other legal representatives.

2. SELLER, hereby authorizes and requests the Commissioner of Patents and Trademarks, and any official of any country or countries foreign to the United States, whose duty is to issue patents or other evidence or forms of industrial property on applications as aforesaid, to issue any and all Letters Patents of the United States, or their foreign equivalent, on said inventions to PURCHASER or to such nominees as it may designate as assignee of the entire interest.

In Witness Whereof, SELLER has executed this Assignment by its duly authorized representative.
