## ASSIGNMENT OF RIGHTS - PATENT APPLICATION

Keary D. Bailey is the owner of Urn Vault as described in the U.S. Patent Application signed by Assignor on May 16, 2016, U.S. Patent Provisional Application Number 62/337157 filed May 16, 2016 (the "Provisional Patent Application"). Wilbert Funeral Services, Inc. (Assignee) desires to acquire all rights in and to the Provisional Patent Application and the patent issuance, reissues or extensions that may be granted.

Therefore, for valuable consideration, the receipt of which is acknowledged, Assignor assigns to Assignee 100% of his right, title and interest in the invention and Provisional Patent Application to assignee for the entire term of the Patent and any reissues or extensions and for the entire terms of any patents, issuances, reissues or extensions that may issue from foreign applications, divisions, continuations in whole or in part or substitute applications filed claiming benefit of the Patent.

Assignor authorizes the United States Patent and Trademark Office to issue any Patents resulting from the above Provisional Patent Application to Assignee. The right, title and interest is to be held by the Assignee as it would have been with the Assignor.

Assignor further agrees to: (a) cooperate with Assignee in the protection of the patent rights (b) execute, verify, acknowledge and deliver all such further papers, including provisional patent applications and instruments of transfer and (c) perform such other acts as Assignee may contractually request to obtain or maintain the Patent and any and all applications and registrations for the invention.

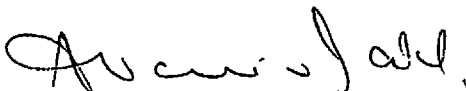

Date: June 1, 2016
