ASSIGNORS, are the inventors of the invention entitled Dual Molded Mascara Brush Head for which we have executed an application concurrently herewith for a Patent of the United States which is identified by Attorney Docket Number: 16.29D / **Application Number: 29/567,203** / Filing Date: June 7, 2016; and

WHEREAS, ELC Management LLC, a Delaware corporation, having an office at 155 Pinelawn Road, Suite 345 South, Melville, NY 11747, *ASSIGNEE*, is desirous of obtaining the entire right, title and interest in, to and under the invention and the application:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to us in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, we, the *ASSIGNORS*, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the *ASSIGNEE*, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the invention and the United States application and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof, together with the right to claim priority from any previously filed provisional applications describing the invention or part thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for the invention in any countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from the United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for the invention in any countries foreign to the United States and all extensions, renewals and reissues thereof;

AND WE HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any Official of any countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the *ASSIGNEE*, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant and agree that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreements in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to the *ASSIGNEE*, its successors, legal representatives and assigns, any facts known to us respecting the invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the *ASSIGNEE*, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in all countries.

IN TESTIMONY WHEREOF, We set our hands and seals the day and year opposite our respective signatures.
