WHEREAS, YP Intellectual Property LLC, a Delaware limited liability company, having a principle place of business at 2247 Northlake Parkway, Tucker, Georgia 30084, hereinafter referred to as "YP Intellectual Property," is desirous of acquiring an interest in the invention and application and in any United States Letters Patent and Registrations which may be granted on the same;

For one dollar (\$1.00) and other good and valuable consideration, I have assigned, and by these presents do assign to YP Intellectual Property all right, title, and interest in and to the invention and application and to all foreign counterparts (including patent, utility model, and industrial designs), and in and to any Letters Patent and Registrations which may hereafter be granted on any patent application claiming priority from the same in the United States and all countries throughout the world, and to claim the priority from the application as provided by the Paris Convention. I further agree that I will, without charge to me, but at YP Intellectual Property's expense, (a) cooperate with YP Intellectual Property in the prosecution of U.S. Patent applications and foreign counterparts on the invention and any improvements, (b) execute, verify, acknowledge, and deliver all such further papers, including patent applications and instruments of transfer, and (c) perform such other acts as YP Intellectual Property lawfully may request to obtain or maintain Letters Patent and Registrations for the invention and improvements in any and all countries, and to vest title thereto in YP Intellectual Property, or YP Intellectual Property's successors and assigns.
