For said considerations and without additional charge, the undersigned hereby agree, upon the request and at the expense of said ASSIGNEE, its successors, or assigns, to execute any and all divisional, continuation, continuation-in-part, and substitute applications for said designs/inventions or improvements, and any necessary oath, affidavit, or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application and any and all applications and other documents for Letters Patent in foreign countries on said designs/inventions or improvements, that said ASSIGNEE, its successors, or assigns may deem necessary or expedient.
