## ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned hereby assign to:

**Matte-Veede FZE**  
P.O. Box: 5232  
Fujairah, UAE

(ASSIGNEE), its successors, and assigns, the entire right, title, and interest in the designs/inventions or improvements of the undersigned that are disclosed in an application for Letters Patent of the United States, entitled:

### LUGGAGE

which was filed on December 31, 2015 and assigned U.S. Patent Application No. 29/550,277, and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said designs/inventions or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension of such patents, and further assigns to said ASSIGNEE the priority right provided by the International Convention.

The undersigned hereby authorize and request the Commissioner of Patents and Trademarks, and any proper official of any country, to issue said Letters Patent, or similar certificate, to said ASSIGNEE, its successors, or assigns.

The undersigned hereby authorize and request the attorneys of record in said application to insert in this assignment the filing date and application number of said application when officially known.

The undersigned warrant themselves to be the owners of the entire right, title, and interest in said designs/inventions or improvements and to have the right to make this assignment, and further warrant that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said considerations and without additional charge, the undersigned hereby agree, upon the request and at the expense of said ASSIGNEE, its successors, or assigns, to execute any and all divisional, continuation, continuation-in-part, and substitute applications for said designs/inventions or improvements, and any necessary oath, affidavit, or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application and any and all applications and other documents for Letters Patent in foreign countries on said designs/inventions or improvements, that said ASSIGNEE, its successors, or assigns may deem necessary or expedient.

And, for said considerations and without additional charge, the undersigned authorize said ASSIGNEE, its successors, or assigns to apply for patents for said designs/inventions or improvements in their own name in such countries where such procedure is proper; and further agree, upon the request of and without additional charge to said ASSIGNEE, its successors, or assigns, to cooperate to the best of the ability of the undersigned with said ASSIGNEE, its successors, or assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain, maintain, and enforce said Letters Patent, both United States and foreign, and vest all rights

therein hereby conveyed in the ASSIGNEE, its successors, or assigns, whereby said Letters Patent will be held and enjoyed by the ASSIGNEE, its successors, or assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

This Assignment is for purposes of assigning rights for the designs disclosed in U.S. Patent Application No. 29/550,277, and not for any other designs. Also, this Assignment does not make the undersigned liable for any breach in competition law or infringement of third party rights.
