Assignment

I, the undersigned

Jakob Blenker Svendsen, Erantishaven 32, 2765 Smørum, Denmark

(hereinafter referred to as the Assignor)

hereby confirm that in consideration of the sum of one dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have assigned all my right, title and interest in and to the invention entitled

Novel compositions

for which an International patent application was filed on June 30, 2012 under number
PCT/EP2012/062787

to

Chr. Hansen A/S
Boege Allé 10-12
2970 Høersholm
Denmark

(hereinafter referred to as the Assignee)

and any United States application or any foreign patent application, including provisional, divisional, renewal, substitute, continuation, reexamination and reissue applications, based in whole or in part on said United States application or foreign application, and in and to any and all letters patent in the United States or any foreign patent, including extensions thereof, which have been or may be granted on any of the aforesaid applications.

This Assignment covers all countries of the world and the Assignee is hereby entitled to file applications in any country at its discretion and to abstain from seeking patent protection in any and all countries, if it so desires.

This Assignment also includes my right to claim priority under the Paris Convention or any other multilateral or bilateral treaties.

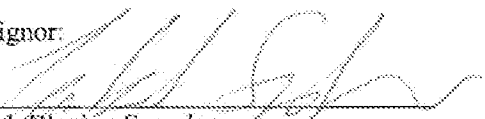

The Assignor hereby agrees to execute any additional assignments and other documents required in connection with the prosecution of the patent applications as well as to perform any additional acts necessary to enable the Assignee or its successors, legal representatives and assigns, to enjoy the full rights of this assignment, including applying for a patent for the invention in the United States of America, and assigning the US application and any patent or patents issuing thereon to the said Assignee or its successors, legal representatives and assigns.

The Assignor does hereby authorize and request the United States Commissioner for Patents to issue any and all letters patent which may be granted upon said United States applications to said Assignee.
