ASSIGNMENT

WHEREAS, we, **Michael Nelson**, of New York, New York, and **Erick Berglund**, of New York, New York, invented a certain new and useful:

Toothpaste Formulations for Delivery of Allergens to the Oral Mucosa, for which we executed an application for a United States Provisional Patent, Serial No. 61/879779, and for which said application was filed, on September 19, 2013; and
Methods and Kits for Reducing Risk of Development of Food Allergies, for which we executed an application for a United States Provisional Patent, Serial No. 61/879801, and for which said application was filed, on September 19, 2013.

AND WHEREAS, **ALLOVATE, LLC**, having a place of business at 100 West 93rd Street, Unit 15F, New York, New York 10025, (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring the entire right, title and interest in and to said application and the inventions therein disclosed and any letters patent that may issue thereon;

NOW, THEREFORE, for good and valuable consideration, receipt whereof is hereby acknowledged, I hereby sell, assign and transfer unto said Assignee, its successors and assigns, the entire right, title and interest in and to said application and any divisions or continuations thereof, and the inventions therein disclosed, and any improvements thereon, and any patent or patents that may be issued or reissued thereon, and we hereby authorize and request the Commissioner of Patents and Trademarks to issue any letters patent thereon, and reissues thereof, to said Assignee, its successors and assigns; and we hereby authorize said Assignee, its successors and assigns, to file in its own name applications for patent in foreign countries in connection with the inventions hereby transferred, under the International Convention claiming the priority of said United States application or otherwise, and to secure in its own name the patent or patents issued thereon; and we hereby agree that, upon request, we will sign all papers, and make all rightful oaths, and do all acts which said Assignee, its successors or assigns, may consider necessary in connection with said United States application, and in connection with any other United States or foreign applications that may be filed in connection with said inventions,

and with any improvements thereon, and in connection with any patents issued or reissued thereon.
