# PATENT ASSIGNMENT AGREEMENT

This Patent Assignment Agreement (the Agreement) is made and effective on the date specified in the signature line hereof by and between the Assignor and Optimus Drugs Ltd. (the Assignee), a business entity organized and existing under the laws of the nation of India and having a principal place of business at #1-2-11/1, Above SBI bank, Street No: 2, Kakatiya Nagar, Habsiguda, Hyderabad 500007, India.

WHEREAS, Assignor, has invented a particular new and useful invention (the Invention);

WHEREAS, Assignee, wishes to acquire all rights, title, and interest in the Invention and any and all patent or patent applications therefor both in the United States and abroad;

NOW THEREFORE, the parties agree as follows:

**1. Intellectual Property Identification.** The intellectual property subject to this Agreement is that which is enumerated here by patent number and/or patent application number (indicate nation if other than the United States):

Application No. 15/196,248 filed June 29, 2016

**2. Assignment.** Assignor acknowledges receipt and adequacy of good and valuable consideration in exchange for this Assignment, and by this instrument does hereby assign to Assignee and its assignees and successors in interest, the full and exclusive right, title and interest to the invention described in paragraph one (1) above, in the United States of America and all foreign countries including, without limitation, rights to any and all patents, patent applications, continuing applications, continuation-in-part applications, divisional, re-examinations, and reissues; and, applications filed under the Paris Convention, the Patent Cooperation Treaty, and/or the national law of any foreign nation including any patents that may issue or have issued therefrom. This Assignment includes the assignment of the right to recover for past infringements of, or liabilities for, any of the rights related to the Intellectual Property and/or any and all applications or patents resulting therefrom anywhere in the world. Furthermore, Assignor hereby requests that the Commissioner for Patents and Trademarks issue any Letters Patent of the United States of America to, and in the name of, Assignee; and, requests that any official of any country or countries foreign to the United States, whose duty it is to issue or grant patents, utility model registrations, or inventor's certificate, issue the same to, and in the name of, Assignee.

**3. Cooperation.** Assignor covenants and agrees to cooperate with Assignee and execute all instruments or documents requested by Assignee for the making and prosecution of any applications of any type for patent in the United States and/or any foreign countries including, but not limited to, the following: provisional, continuation, continuation-in-part, divisional, renewal or substitute, reissue, re-examination, or extension. Assignor covenants and agrees to cooperate with Assignee in any litigation regarding the invention, patents or patent applications regarding the invention, including testifying for the benefit of Assignee without further or other compensation than that provided under this Assignment. The undersigned hereby authorize(s) the assignee to insert in this Patent Assignment Agreement the serial number and filing date of the above-identified application when known.

**4. Warranties of Assignor.** Assignor represents and warrants to Assignee that:

- (a) Assignor has the right, power and authority to enter into this Agreement;
- (b) The invention, patent, and/or patent application are free of any liens, security interests, encumbrances or licenses;
- (c) Assignor is not subject to any agreement, judgment or order inconsistent with the terms of this Agreement.
