ASSIGNMENT

WHEREAS, Holly Hancock, an individual having an address at 4209 Lazy River Bend, Cedar Park, TX 78613 ("Assignor"), has invented an "Medical Patient Shirt" (the "Invention") that is the subject of U.S. Patent No. D759351 S, which issued on June 21, 2016 (the "Patent");

WHEREAS, Assignor was obligated at the time the application which matured into the Patent was filed to assign the Invention and any patents that may mature from an application(s) disclosing the invention to Heroic Hearts, LLC, a Tennessee limited liability company which is identified as the Applicant on the face of the Patent and which operated at 7809 Oakfield Grove, Brentwood, TN 37027 until its formal dissolution (the "Applicant");

WHEREAS, Assignor remains obligated to assign the Invention and Patent to Applicant's successor in interest, Heroic Hearts, LLC, a Texas limited liability company operating at 4209 Lazy River Bend, Cedar Park, TX 78613 (the "Assignee");

WHEREAS, Assignee desires to acquire the entire right, title, and interest in and to the Patent, the Invention and any improvements thereto, and any and all patents and patent applications therefor; and

NOW, THEREFORE, in consideration of the payment of one (\$1.00) dollar, and for other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor assigns to Assignee its entire right, title, and interest in and to the Patent, in and to the Invention and any improvements thereto, in and to all patents, reissue patents, certificates of inventorship, design registrations, utility models, and the like that have or may be granted in the United States or in any foreign country with respect to the Invention and any improvements thereto, and in and to all applications, including, without limitation, continuations, continuations-in-part, and divisions, that have or may be filed with respect to the Invention and any improvements thereto;

Assignor represents and warrants that it has not transferred, licensed, and/or assigned any of the rights assigned hereunder to anyone other than Assignee, or entered into any agreement that would otherwise conflict with this Assignment;

Assignor will, without additional charge to Assignee but at Assignee's expense, cooperate with and assist Assignee such that Assignee may realize and fully enjoy all the rights assigned

hereunder, including the preparation and execution of all papers needed by Assignee, and providing such information and assistance as may reasonably be required by Assignee in any administrative or legal proceeding to obtain, maintain, protect, or enforce such rights; and

Assignor authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in the United States and in any foreign countries, and additionally to claim the filing date of the Patent and/or otherwise take advantage of the provisions of the International Convention.

This Assignment and each of its terms shall be binding on Assignor, and its representatives, heirs and assigns, and shall inure to the benefit of Assignee, its successors, and assigns.

IN WITNESS WHEREOF, executed by the undersigned on the date opposite the undersigned name.
