Title of
Invention

BALANCE AND DRAFT SHIELD THERFOR

DECLARATION

As the below named inventor, I hereby declare that:

This declaration is directed to: The attached application, or

United States application or PCT international application number
15/142,975, filed on April 29, 2016.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

ASSIGNMENT

For at least one U.S. dollar (\$1.00) and for other good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell, assign and transfer to Ohaus Instruments (Changzhou) Co., Ltd., Ltd., a company organized under the law of China having an office at No. 111 West Taihu Road, Xinbei District, Changzhou, Jiangsu 213022 P.R. China; and Ohaus Instruments (Shanghai) Co., Ltd., a company organized under the laws of China having an office at 6th Floor, 7bid., 471 Guiping Road, Shanghai, 200233 P.R. China (hereinafter referred to as the Assignees) my entire right, title and interest, together with all rights of priority, in and to the invention set forth in the above-identified application. I further hereby sell, assign and transfer to the Assignees my entire right, title and interest, together with all rights of priority, in and to my invention as described and/or claimed in any and all applications for patents based on the invention, including divisionals, continuations, renewals, substitutes and reissues thereof, and all rights of priority resulting from any of these patent applications, as well as all foreign counterparts and extensions thereof, together with all patents issuing on any of these applications for the full terms of all of the patents which may be granted on the invention.

I authorize the Assignees to make applications for, to prosecute such applications, and to receive patents for the invention in the United States and any foreign countries, in the Assignees' name.

I promise and agree that I will execute or procure any further necessary assurance of title to the invention and any patents which may issue on the invention. I will, at any time, upon the request and without further consideration, but at the expense of the Assignees, deliver any testimony in any legal proceedings and execute all papers and do all other things that may be necessary or desirable to perfect the title to the invention, or any patents which may be granted therefor, to the Assignees, its successors, assigns, or other legal representatives. I will, at any time, upon the request and at the expense of the Assignees, execute any continuations, divisionals, reissues, or any other additional applications for patents for the invention or any part or parts thereof and any patents issuing thereon are hereby assigned to the Assignees. I will make all rightful oaths, and do all lawful acts required for procuring and enforcing any of the patents, without further compensation, but at the expense of the Assignees, its successors, assigns or other legal representatives.

I authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States for the invention, resulting from any of the aforesaid applications to the Assignees.
