ASSIGNMENT

WHEREAS, Dunti LLC, hereinafter called the "Assignor," is the owner by respective Assignment of United States patent entitled Communication network and protocol which can efficiently maintain transmission across a disrupted network, for a full description of which reference is here made to a Letters Patent of the United States issued on June 28, 2005, and assigned United States Letters Patent No. 6,912,196, hereinafter "the Patent";

WHEREAS, Dunti Network Technologies, LLC, a limited liability company organized and existing under the laws of the State of Texas, hereinafter called the "Assignee," desires to acquire the entire right, title and interest in and to the invention described in the Patent, as set forth below;

NOW, THEREFORE, in consideration of valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest in and to the invention described in the Patent identified above; including the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term of the Patent. The Assignor hereby sells, assigns, and transfers the entire right, title and interest to the Assignee as of the day of execution of this Assignment.

The Assignor hereby covenants and agrees that the Assignor will assist the Assignee in the prosecution of the Patent identified above; in vesting in the Assignee like exclusive title in the Patent; and in the prosecution of any interference which may arise involving said invention, or the Patent; and that the Assignor will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment. The Assignee shall compensate the Assignor at the Assignor's reasonable hourly rate for the time spent by the Assignor to

comply with its obligations under this paragraph, and shall also reimburse the Assignor for all reasonable costs and expenses associated therewith.

The Commissioner of Patents and Trademarks is hereby authorized and requested to recognize the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this agreement.
