**ASSIGNMENT  
(World Wide Patent Rights)**

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, as a below named inventor, we hereby sell, assign and transfer to Bilfinger Water Technologies, Inc., a corporation of Delaware, having its principal office at 1950 Old Hwy. 8, NW, New Brighton, MN 55112, its successors and assigns or other legal representatives, all our rights, title and interest in and to the invention entitled

**VACUUM SEWAGE SYSTEM WITH MONITORING SYSTEM**

invented by us, and to any United States and foreign patents to be obtained thereon, as described in the United States Patent Application, and any and all other applications related to or claiming priority of such application, the said interest being the entire ownership of the invention, said U.S. Letters Patent and any foreign Letters Patent when granted, to be held and enjoyed by said Bilfinger Water Technologies, Inc., its successors, assigns or other legal representatives, to the full end of the term for which said Letters Patents may be granted, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

And we hereby agree to sign and execute any further documents or instruments which may be necessary, lawful, and proper in the prosecution of the above-named application or in the preparation and prosecution of any continuing, continuation-in-part, substitute, divisional, renewal, reviewed or reissue applications or in any amendment, extension, or interference proceedings, as well as any papers necessary to procure foreign patents on said invention, or otherwise to secure the title thereto in said assignee.

And we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said Bilfinger Water Technologies, Inc.
