PATENT ASSIGNMENT

This Patent Assignment (this "Assignment") is effective as of the ___ day of ____, 2016, by Suretech Completions Canada Ltd. a corporation organized under the laws of Canada and Sanjel Corporation, a corporation organized under the laws of Canada (collectively "Assignors"), to Oiler Tools, LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignors are individually and/or collectively the owner of all right, title and interest in the patents and patent applications listed on Schedule A attached hereto (collectively, the "Patents");

WHEREAS, Assignors and Assignee are parties to a certain Asset Purchase Agreement dated June 2, 2016 (the "Agreement") under which Assignors are required to assign the Patents to Assignee;

NOW, THEREFORE, in consideration of the foregoing, the good and valuable consideration set forth in the Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors do hereby:

1. Grant, sell, assign, transfer and convey to Assignee, (i) all right, title, and interest in, to and under the Patents throughout the United States of America, its territories and all foreign countries, including the right to claim priority under United States law, any applicable foreign country's law, or international convention, and including any and all inventions described therein, and all reissues, reexaminations, renewals, substitutes and extensions of any of the foregoing, and (ii) all rights to sue for infringement of any Patents, whether arising prior to or subsequent to the date of this Assignment, the same to be held and enjoyed by the said Assignee, its successors, assigns and other legal representatives, from and after the date herein above written, as fully and entirely as the same would have been held and enjoyed by Assignors had this Assignment not been made.
2. Covenant to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers and take any actions necessary to perfect and vest such rights, title and interest in Assignee, its successors, assigns and legal representatives.
3. This Assignment shall be governed by and interpreted in accordance with the laws of the State of Texas.
4. This Assignment may be executed in counterparts, and when so executed, each counterpart shall be deemed an original, and said counterparts shall constitute one and the same instrument.

IN WITNESS WHEREOF, Assignors and Assignee have executed this Assignment as follows, effective as of the date first above written.
