WHEREAS, Donald P McCoy, hereinafter called the "Assignor," has made the invention described in the United States design patent application entitled SPACER, U.S. Pat. Appl. 29/568,473, which application was filed on June 18, 2016; and

WHEREAS, Donald P McCoy, hereinafter called the "Assignor," has made the invention described in the United States design patent application entitled SPACER, U.S. Pat. Appl. 29/568,474, which application was filed on June 18, 2016; and

WHEREAS, Donald P McCoy, hereinafter called the "Assignor," has made the invention described in the United States design patent application entitled SPACER, U.S. Pat. Appl. 29/568,475, which application was filed on June 18, 2016; and

WHEREAS, Donald P McCoy, hereinafter called the "Assignor," has made the invention described in the United States design patent application entitled SPACER, U.S. Pat. Appl. 29/568,476, which application was filed on June 18, 2016; and

WHEREAS, Donald P McCoy, hereinafter called the "Assignor," has made the invention described in the United States design patent application entitled SPACER, U.S. Pat. Appl. 29/568,477, which application was filed on June 18, 2016; and

WHEREAS, Donald P McCoy, hereinafter called the "Assignor," has made the invention described in the United States design patent application entitled SPACER, U.S. Pat. Appl. 29/568,479, which application was filed on June 18, 2016; and

WHEREAS, Donald P McCoy, hereinafter called the "Assignor," has made the invention described in the United States design patent application entitled SPACER, U.S. Pat. Appl. 29/568,480, which application was filed on June 18, 2016; and

WHEREAS, Donald P McCoy, hereinafter called the "Assignor," has made the invention described in the United States design patent application entitled SPACER, U.S. Pat. Appl. 29/568,481, which application was filed on June 18, 2016;

WHEREAS, Underground Devices, Inc., a corporation organized and existing under the laws of the state of Delaware, having a place of business at 420 Academy Drive, Northbrook, IL 60062, hereinafter called the "Assignee," desires to acquire the entire right, title and interest in and to the inventions and the patent applications identified above, and all patents which may be obtained for said invention, as set forth below;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the inventions and the patent applications identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said inventions and all patent applications and patents therefor in all countries foreign to the United States, including the full right to claim for any such applications all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents identified above; to have and to hold for the sole and exclusive use and benefit of the assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Assignor hereby covenants and agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor will assist the Assignee in the prosecution of the patent applications identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any examination, reexamination or interference, or other procedure which may arise involving said inventions, or any such patent applications or patents; and that the Assignor will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this Assignment.
