A S S I G N M E N T

Pursuant to my agreement with Paul Toback (hereinafter referred to as "Assignee"), an individual residing at

22 Aberdeen Ct.
Bannockburn, IL 60015

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, I,

Steve Lenz
1708 Wild Rose Ct.
Naperville, IL 60565

hereby sell, assign and convey, unto Assignee, his successors and assigns, my entire right, title and interest -

(1) in and to the invention described in a patent application titled "EXERCISE APPARATUS" for which we filed United States Provisional Patent Application No. 61/318085 (Atty. File No. 023674-9001)

(2) in and to the U.S. provisional patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the U.S. provisional patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of my Assignee with a claim to priority based on the U.S. provisional patent application.

And I hereby agree that I will, upon demand of Assignee, his successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed by Assignee, his successors or assigns, to be necessary, to completely fulfill the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, his successors and assigns, and not by me.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said patent or patents to Assignee.
