## ASSIGNMENT

WHEREAS, I, Douglas Krentz, have made certain improvements in an invention for a CONCRETE PRODUCT MOLDING MACHINE VIBRATION DRIVE APPARTUS, as set forth in the United States Patent application no. 14/173,446 filed on the 5<sup>th</sup> day of February 2014; and

WHEREAS, Besser Company, a company located at 801 Johnson St., Alpena, MI 49707, USA, is desirous of acquiring the entire right, title and interest in and to the invention;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, Douglas Krentz, by these presents, do hereby sell, assign and transfer unto the company and its assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest, including all priority rights under the International Convention associated with each country of the Union, in and to the invention as described in the above identified patent application, and in and to any applications that may be filed and any Letters Patent that may be granted in pursuance of the applications, including any divisional, continuation, or continuation-in-part applications, and in and to any reissue and reexamination of any such patents and in and to any patent applications that may be filed on the invention in countries foreign to the United States and any Letters Patent granted on those applications.

I further authorize the company to apply for foreign patents on the invention in its own name or through its designees, including subsidiaries, related companies or assignees, under the International Convention or otherwise, and I further agree to execute all papers, including those required for the United States and foreign applications, and to perform such other proper acts as

the company may deem necessary to secure to the company or its designees the rights herein assigned.
