ASSIGNMENT

Kurt M. Swanson, a citizen of the United States of America (hereinafter referred to as the Undersigned), is the inventor of

COMPACT AIR CONDITIONING AND FAN SYSTEM

for which the Undersigned has executed applications for United States Letter Patent, U.S. Provisional Patent Application No. 62/038,802, filed August 18, 2014, and United States Letter Patent, U.S. Non-Provisional Patent Application No. 14/826,135, filed August 13, 2015.

The Undersigned hereby authorizes Assignee or Assignee's representative to insert the Application Number and the filing date of this application if they are unknown at the time of execution of this assignment.

Noria Technologies, LLC, a Delaware limited liability company having a principal place of business at 3001 Market Street, Suite 140, Philadelphia, PA 19104, (hereinafter referred to as the Assignee), is desirous of acquiring the entire right, title, and interest in, all applications for, and all letters patent issued on said invention.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Undersigned, intending to be legally bound, hereby sells, assigns, and transfers to the Assignee and Assignee's successors and assigns the entire right, title, and interest in said invention and all patent applications therefor, including, but not limited to, the applications for United States Letters Patent entitled as above, and all divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty, and the right to sue for infringements committed before this assignment.

It is agreed that the Undersigned shall be legally bound, upon request of the Assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention throughout the world for the benefit of the Assignee, and to execute all instruments proper to carry out the intent of this instrument.

The Undersigned warrants that the rights and property herein conveyed are free and clear of any encumbrance.
