**ASSIGNMENT AND DECLARATION FOR
UTILITY OR DESIGN PATENT APPLICATION**

ASSIGNMENT:

WHEREAS I, the below named inventor, (hereinafter referred to as Assignor), of a claimed invention in an application for United States Letters Patent entitled:

Syringe Pump Housing
filed herewith or on April 29, 2016 as United States Application No. 29/562,964 (Confirmation No. 8491); and

WHEREAS, CSL Behring Recombinant Facility AG
a corporation of Switzerland

whose post office address is Wankdorfstrasse 10, 3000 Bern 22, Switzerland

AND WHEREAS, MEDICOM INNOVATION PARTNER A/S
a corporation of Denmark

whose post office address is Gimsinglundvej 20, DK-7600 Struer, Denmark

(hereinafter referred to as Assignees), are desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that, for good and valuable consideration, the receipt of which from Assignees are hereby acknowledged, I, as Assignor, hereby sell, assign, transfer, and set over unto the Assignees, their lawful successors and assigns, my entire right, title, interest in and to this invention in all countries throughout the world, application(s) for patents in any country, including any provisional applications, non-provisional applications, and continuation, divisional, or continuation-in-part applications that disclose the invention, any international applications filed under the Patent Cooperation Treaty (PCT) or other multinational agreement and any national stage entry applications in any country based thereon, and any and all Letters Patent, utility model patents, registered designs, and certificates of invention to be issued upon such filed application(s) in any country and any extensions, restorations, renewals, or reissues thereof, and any unregistered design rights subsisting in the invention in any country or region;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with Assignees, their successors and assigns, any facts known to me respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignees, their successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignees, their successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignees, their successors and assigns.

DECLARATION:

As a named inventor below, I hereby declare that: (1) This declaration is directed to the above-identified application; (2) the above-identified application was made or authorized to be made by me; (3) my residence and mailing address are as stated below next to my name; and (4) I believe I am an original inventor or an original joint inventor of a claimed invention in the application. I hereby acknowledge that any willful false statements made in this declaration are punishable by fine or imprisonment of not more than five (5) years, or both, under section 1001 of Title 18 of the United States Code.

As a below named inventor, I have reviewed and understand the contents of the application, including the claims, and am aware of the duty to disclose to the US PTO all information known to me to be material to patentability as defined in 37C.F.R. § 1.56.

Authorization To Permit Access To Application by Participating Offices:

☒ If checked, the undersigned hereby grants the USPTO authority to provide the European Patent Office (EPO), the Japan Patent Office (JPO), the Korean Intellectual Property Office (KIPO), the World Intellectual Property Office (WIPO), and any other intellectual property offices in which a foreign application claiming priority to the above-identified patent application is filed access to the above-identified patent application. See 37 CFR 1.14(c) and (h). This box should not be checked if the Applicant does not wish the EPO, JPO, KIPO, WIPO, or other intellectual property office in which a foreign application claiming priority to the above-identified application is filed to have access to the above identified patent application.

In accordance with 37 CFR 1.14(h)(3), access will be provided to a copy of the above-identified patent application with respect to: 1) the above-identified patent application-as-filed; 2) any foreign application to which the above-identified patent application claims priority under 35 U.S.C. 119(a)-(d) if a copy of the foreign application that satisfies the certified copy requirement of 37 CFR 1.55 has been filed in the above-identified patent application; and 3) any U.S. application-as-filed from which benefit is sought in the above-identified patent application.

In accordance with 37 CFR 1.14(c), access may be provided to information concerning the date of filing the Authorization to Permit Access to Application by Participating Offices.

IN TESTIMONY WHEREOF, I have hereunto set my hand.
