CONFIRMATORY ASSIGNMENT RECORDATION

WHEREAS **UDO MUELLER** (hereinafter "Inventor"), residing at Starnberg, Germany, has invented certain new and useful improvements in an

ELECTRICAL MACHINE

as described and claimed in U.S. patent application No. 15/035,910, filed May 11, 2016,

WHEREAS, **LEANTEC MOTOR GMBH** (hereinafter "Assignee"), a German limited liability company doing business at Saalfeld, Germany has the right, under German law, to claim the entire interest in and to the invention, and in any and all Letters Patent of the United States that may be obtained therefor;

NOW, THEREFORE, be it known that for sufficient consideration, the said Assignee has laid an unlimited claim to the said invention in accordance with German Law and the said Inventor has sold, assigned and transferred unto the said Assignee, its legal representatives, successors and assigns, the full and exclusive right in and to the said invention as fully set forth and described in the above-mentioned applications, and to the application and any and all divisions and continuations thereof, and any and all Letters Patent of the United States which may be granted therefor, and any and all reissues of the Letters Patent, the same to be held and enjoyed by the said Assignee, its legal representatives, successors and assigns, to the full end of the term, for which the Letters Patent may be granted or may be reissued or extended, as fully and entirely as the same would have been held by the Inventor, had the attached assignment and sale not been made.

AND the said Inventor has authorized the said Assignee to make an application for Letters Patent and the said Assignee has authorized the Director to issue any and all Letters Patent of the United States on the invention or resulting from the application and from any and all divisions and continuations thereof to the said Assignee, as the assignee of the entire right, title and interest in and to the same.

ASSIGNMENT

WHEREAS We, **UDO MUELLER** and **SOEREN HEIN**, residing respectively at Starnberg and Muenchen, Germany, have invented certain new and useful improvements in a

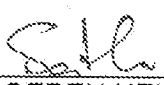

ELECTRICAL MACHINE

described in International Application No. PCT/EP2014/003001, filed November 10, 2014 and for which an application for Letters Patent of the United States of America was executed on the date of execution of this assignment;

WHEREAS, **LEANTEC MOTOR GMBH** (hereinafter Assignee), a German limited liability company doing business at Saalfeld, Germany is desirous of acquiring the entire interest in and to the invention, and in any and all Letters Patent of the United States that may be obtained therefor;

NOW, THEREFORE, be it known that for sufficient consideration, the receipt and sufficiency whereof are hereby acknowledged, we have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said Assignee, its legal representatives, successors and assigns, the full and exclusive right in and to the said invention as fully set forth and described in the above-mentioned application, and to the application and any and all divisions and continuations thereof, and any and all Letters Patent of the United States which may be granted therefor, and any and all reissues of the Letters Patent, the same to be held and enjoyed by the said Assignee, its legal representatives, successors and assigns, to the full end of the term, for which the Letters Patent may be granted or may be reissued or extended, as fully and entirely as the same would have been held by us, had this assignment and sale not been made.

AND WE hereby authorize the said Assignee to make an application for Letters Patent and the Director to issue any and all Letters Patent of the United States on the invention or resulting from the application and from any and all divisions and continuations thereof to the said Assignee, as the assignee of the entire right, title and interest in and to the same.
