Assignor agrees to promptly execute or instruct its employees to so execute and deliver to Assignee or its legal representative any and all papers, instruments or affidavits required to prepare, file, obtain, maintain, issue, defend and enforce the Patent Rights.

This Assignment shall be governed by and construed in accordance with the laws of the state of Nevada, without regard to its choice-of-law rules except that questions affecting the construction and effect of any patent shall be determined by the law of the country in which the patent was granted. However, any provision of this Assignment that is prohibited, invalid or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, invalidity or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

This Assignment and Attachments A and B hereto set forth the entire agreement and understanding between the parties as to the Patent Rights and merges and supersedes all prior discussions, proposals, offers and agreements, if any, with respect to the subject matter of this Assignment.
