INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment, made effective as of the date of full execution below, is entered into by New England Footwear, LLC, a New Hampshire limited liability company (the "Assignor"), for the benefit of American Made, LLC, a New Hampshire limited liability company (the "Assignee").

Assignor is the owner of the patents and patent registrations identified on Schedule A.

In consideration of the mutual promises set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Assignor hereby assigns to Assignee the entire rights, title and interest in and to the patent registrations listed on Schedule A and the patents that are the subject thereof, and the right to use and recover for past infringements, dilution, and other violations.
2. Assignor further agrees, for itself and its successors and assigns, to execute such further documents and perform such further lawful acts as may reasonably be requested by Assignee to effectuate this Intellectual Property Assignment.
