ASSIGNMENT OF INVENTION

Whereas, I Richard Michael Rader (referred to as an "Inventor") of Roseburg, Oregon, having a primary residence at 2290 NW Witherspoon Road, Roseburg, OR 97471, have invented certain new and original inventions during my employment at Umpqua Indian Development Corporation, related to a marketing bonus system and associated concepts, among other things, and disclosed in a US patent application entitled: Marketing Bonus System and Method, to be filed with the United States Patent and Trademark Office; and

Whereas, Umpqua Indian Development Corporation (referred to as the "Assignee") of Roseburg, Oregon having a primary business address at: 2371 NE Stephens Street, Suite #100, Roseburg, Oregon 97471, USA is entitled to the entire right, title and interest in the Invention;

Now, therefore, in consideration of the pay that I have received during my employment at Assignee, the receipt of which is acknowledged, and other good and valuable consideration received, I hereby assign and transfer to Assignee the full and exclusive right to the Invention in the United States and throughout the world, and the entire right, title and interest in and to any and all patent application(s) and/or granted patent(s) for the Inventions in the United States and throughout the world. I hereby authorize and request the Director of the U.S. Patent and Trademark Office to record any such patent application(s) or granted patent(s) as owned in the name of Assignee for the sole and exclusive use and enjoyment of Assignee through the full term of any such patent application(s) or granted patent(s), as fully and entirely as such patent application(s) and/or granted patent(s) would have been held by me had this assignment and transfer not been made.

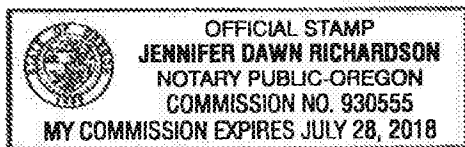

Executed this 20 day of July, 2016
